I, Jno J Kearney (Strike out Master, First, or Second Officer), of the S/S CANOP'C, from BREMERHAVEN, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 24 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

J Kearney
MASTER Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each person aged 10 or over. Wives, children, and persons of no occupation must be entered as such. Laborers, farmers, and laborers' wives should not be entered as "servants." Persons formerly engaged in any occupation, but not actually employed at present, should be entered according to their former occupation, preceded by the word "ex," as "ex-merchant," "ex-laborer," etc. Do not use such indefinite terms as "gentleman," "lady," "none," "student," "child," "invalid," "servant," "help," "baby," etc.

A.—Inspection should be made between farmer and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who employs him.

Strained interpretations of names should be avoided, but on the other hand, corrections should be made, if necessary, by surgeons and examining officers during the personal examination of aliens.

Column 8 (*Able to read and write*).—The answer in this column is limited to a literal question: "Read what language?" If an examining alien is examined upon *W* or *primer* line, the answer to the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground on which exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people according to said list.

Special attention should be paid to the distinction between race and the country of which a person is a citizen or subject. Persons coming from countries in part Teutonic and part Slavic, and sometimes classed for statistical purposes as Austrian, Hungarian, German, or Russian, should be entered according to race or people, as Bohemian (Czech), Moravian (Czech), Slovak, Slovenian (Wendish), Croatian, Dalmatian, Ruthenian (Russniak), Carpathian Mountain people, Polish Jew, Lithuanian, Bukhorian, Georgian, etc., and not as Austrian, Hungarian, German, Russian, Turkish, etc. Natives of Scotland should be entered as Scotch, natives of Ireland (Southern) as Irish, natives of Wales as Welsh, natives of England as English. Immigrants who state their race or people as Canadian, Mexican, Cuban, West Indian, Australian, New Zealander, South American, Central American, or other native American should be entered specifically as such, and not merely as American. Indians from the United States and Canada should be entered as "American Indian." Those from Mexico, Central America, South America, and the West Indies should be entered as "Indian (Mexican)," "Indian (Central American)," "Indian (South American)," and "Indian (West Indian)," respectively. Negroes should be entered as "Negro (African)," "Negro (West Indian)," "Negro (Canadian)," "Negro (Cuban)," "Negro (Mexican)," etc., as the case may be. Mongolian races should be entered as "Chinese," "Japanese," "Korean," "Asiatic Indian," "Malay," "Polynesian," etc., as the case may be. Persons of mixed white and black blood should be entered as "Mulatto." Persons of mixed white and Indian blood should be entered as "Mestizo" (Spanish) or "Half-breed." Persons of mixed white and Japanese blood should be entered as "Eurasian." Persons of mixed white and Chinese blood should be entered as "Chinese Mestizo." Persons of mixed white and Filipino blood should be entered as "Filipino Mestizo." Persons of mixed white and Hawaiian blood should be entered as "Hawaiian Mestizo." NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, John J. Kearney, (State whether Master, First, or Second Officer) of the S/S CANOPIC, from BREMERHAVEN, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 24 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

J. Kearney
MASTER ~~officer.~~

Sworn to before me this 18 day of Nov, 1913
at NEW YORK

E. Howe
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Columns 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each immigrant, as, for example, Clerk (not merely), merchant, gentleman, lawyer, author, editor, musician, actor, painter, sculptor, etc., and not laborer (unless laborer has previously followed some other occupation), servant (whether domestic or personal), farmer, farm laborer, or farm hand (without stating what kind of farm he has worked on), miner, or laborer (specifying character of work), without further description. A description should be made between farmers and farm laborers, regardless of the amount of money shown as follows:

A farmer is one who owns or rents a farm, either for himself or for others.

A farm laborer is one who works on a farm for wages paid specifically for such work.

Strict accuracy should be required in the use of the terms "farmer" and "farm laborer," and if necessary the inspectors and registry clerks should question each immigrant who claims the following question: "Have you a farm of your own, either in your name or in the name of some member of your family?" In answering this question "Have you a farm of your own to work on?" has been answered "Yes," the immigrant should be entered as a farmer. If the answer is "No," he should be entered as a farm laborer. If any immigrant who has stated that he is a farmer or a farm laborer gives a contrary answer upon the hearing of the question, the ground for such contrary statement should be carefully investigated.

Column 8 (*Able to read and write*).—The answer should be either Yes or No according to the fact as ascertained upon the inquiry prescribed in the preceding question: "Read what language?" If examined in writing, that question should be answered "Write what language?" In answering that question, if the immigrant cannot read or write, the fact should be stated. If any immigrant who has stated that he can read or write is found upon examination to be unable to read or write, the fact should be stated.

Column 9 (*Nationality*).—Question 9 should be considered to mean the country of which the alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special consideration should be paid to the distinction between race and the countries of which aliens are subjects, namely, of late persecutions rendered it necessary that many Hebrews should be naturalized as subjects of countries to which they did not belong by race or people, and, similarly, Germans, Italians, Poles, Russians, and others frequently emigrate from countries of which they are not by race or people considered natives. "Hebrew" is not a race, German, or Italian, or Russian is a race, but Polish is usually a mixture of Hebrew and Polish, Russian, or some other race, and English is usually a mixture of English, Welsh, Irish, Scotch, and other races. Particular attention is directed to the following instructions, which should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the peoples of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South American countries, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venezia, and Emilia) and their descendants, whether residing in Italy, a possession, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy, a possession, Austria-Hungary, or any other country, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A legal term meaning domicile, or the residence of one who has the permanent residence. The last country in which aliens resided with the intention of remaining one year or more should be entered as their permanent residence, even though such residence may have been terminated by immigration to the United States. Thus, a person who has resided in Germany for 10 years, or 20 years, or any number of years, and who has acquired a permanent residence there, but who has come to the United States for the purpose of bettering his condition, and intends to return to Germany after accumulating a certain amount of money, should report Germany as the country of his permanent residence. If he has resided in Germany 11 months only, and has resided the remainder of the year in some other country, he should report the country in which he has resided as the country of his permanent residence. In answering this question, a person who has resided in several countries should report the country in which he has had his permanent residence. The mere intention to acquire a permanent residence elsewhere does not constitute a permanent residence. The last country in which aliens resided with the intention of remaining one year or more should be entered as their permanent residence, even though such residence may have been terminated by immigration to the United States. It is immaterial for the general purpose that attempts to acquire permanent residence elsewhere fail. Temporary visits to other countries for business, pleasure, or curiosity do not constitute permanent residence. Aliens who are permanent residents of the United States and return to their native countries or go to other countries for temporary visits should report the United States as their permanent residence. If aliens who are returning from a visit to their former homes state that they have gone "home" to see their families, the term "home" should be questioned closely, as it frequently means that they have been living with their families in the country from which they have just returned, and the country should be reported as their permanent residence. If such aliens have resided in the United States for one year or more, the fact should be stated, even though they declare their intention to return to their former homes to live. If they have resided in the United States for less than one year, the country in which they have resided should be reported as their permanent residence, even though they have been in the United States a number of months sufficient to constitute the intent to remain. In such cases the entry should show the length of time they have been in the United States.

Column 12 (*Final destination*).—The answer to this question should show the name of the final country of permanent residence. An intended temporary residence in any foreign country should not be entered as the final destination. If aliens who are returning to countries where they were naturalized declare their intention to remain permanently in such countries, the country should be entered as the final destination. If any alien declares that he intends to become a citizen of a country other than the United States, the country of which he intends to become a citizen should be entered as the final destination. The answer should be either Yes or No, as the fact may be.

Column 13 (*If ticket purchased in United States, so state*).—The answer should be either Yes or No, as the fact may be.

Column 14 (*By whom was passage paid*).—The entry should show distinctly by which passage was paid—whether by himself, by relatives, or other persons, giving specifically the name and address of each person by whom the passage was paid. If paid by the alien himself, the fact should be stated. If paid by relatives, the relationship should be stated. If paid by other persons, their relationship, if any, should be stated. If paid by a steamship company or agent, the fact should be stated.

Column 15 (*Whether in possession of $50, and if less, how much*).—The entry should show whether each alien has in his possession at least $50, and if less, how much he has. In the case of a family, the head of the family should be questioned as to the amount of money in the possession of the family, and the answer recorded in the case of the head of the family. Money brought by the head of a family should be considered as belonging to the family, and not to the individual members thereof.

Column 16 (*Whether going to join a relative or friend, and if so, what relative or friend*).—The answer should show whether the alien is going to join another relative or friend, and if so, what relative or friend, with name and complete address of such relative or friend.

Columns 17 to 19.—These columns are to be filled by the examining officers.

Columns 20 to 24.—These columns are to be filled in by the examining surgeons. However, in answering question 20, if alien has been deported on previous occasion at expense of the Secretary of Labor the fact should be stated, and if such alien has been deported under the provisions of law requiring the payment of the head tax, the fact should be stated. If any alien who has been deported is found to be in the United States or is applying for admission, the attorney for such alien must present with his petition for the exercise of the discretionary power of the Secretary of Labor to admit such alien a statement in writing from the Secretary of Labor or from the Commissioner-General of Immigration consenting to the reapplication of such alien for admission to the United States.

AFFIDAVIT OF SURGEON

I, Raymond Cook, Surgeon of the s/s CANOPIC sailing Toward, do solemnly, sincerely, and truly swear that I have had 12 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The British Northern Council, Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 210 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Raymond Cook

LIST OF RACES OR PEOPLES

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States, or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who believes in the unlawfulness, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, J. F. Kearney, (State whether Master, First, or Second Officer) of the S.S. CANOPIC, from BREMERHAVEN, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 24 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

J. F. Kearney
MASTER Officer.—

Sworn to before me this 18 day of Nov, 1923

at NEW YORK

C. Kleary
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIENS' MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M, male, or F, female.

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien named, as, for example, coal miner, stonecutter, engineer, barber, seamstress, tailoress, laborer, servant, merchant, clerk, weaver, wood worker, etc., and not simply as laborer, servant, lady, gentleman, or without occupation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer means one who performs any and all kinds of work on a farm.

Steamship agents should notify their foreign connections that such distinctions should be made, if necessary, by the surgeons and persons making physical examinations at ports of call.

Column 8 (*Able to read and write*).—The answer to this question should show whether the alien can read and write the language he uses. If an illiterate is claiming "race or what people," in answering this question the "language or dialect" he uses should be stated. If alien is capable to read and claims exemption from the test on account of age, the fact and his reasons therefor should be given.

Column 9 (*Nationality*).—[illegible] be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—[illegible] enumerated on back of this sheet. The entry should show the race or people as stated by the alien.

Special attention is directed to the [illegible] between race and the country of which citizen or subject. Country of last permanent residence [illegible] country of birth, and inquiries should be carefully framed to [illegible] "race or people" [illegible] "Scotch" as country of birth, and the head of an Irish family may report himself as a native of Ireland, but his children, born in Scotland, may report themselves as Scotch. "French" frequently appears under the head of country, but not under that of race or people, as, for example, "French" appearing under the head of race or people does not mean "France," but probably "Canada," "Alsace," or "Lorraine." An Irish, German, or Hebrew alien by birth may report himself as a native of England, Scotland, or Ireland, or Germany, or any other country. In this connection, the following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or Central America, Europe, or Africa. Any alien, with admixture of blood of the African Negro, should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian branches.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Latium, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual origin or last permanent residence of alien, as distinguished from a temporary residence, should be shown. The last residence in which aliens resided with a view to permanency, even though it may have been but for a few months, should be given. Thus, if an alien has resided in England for a number of years, but has gone to Italy for a visit of a few months and returned to England with the intention of residing there permanently, the entry should show England as the country of last permanent residence. It is important for statistical purposes that the immigration officials at the ports of arrival should ascertain the last permanent residence (not the nationality of aliens), as temporary residence, except of brief duration, is not sufficient.

Countries of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be entered as "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—Place entry should give name and address of such relative. If alien is without relatives in his native land, he should give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year or more constitutes permanent residence. The entry should state definitely the place (city or town), if intended future permanent residence is in a State (or Territory) in the United States, country, if elsewhere (not United States).

Column 14. *Whether having a ticket to your final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 16. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, husband, mother, father, employer, or other friend. "Myself," "Self," etc.

Column 17. *Whether in possession of $50, and if less, how much.*—The amount should give in each case (1) cash and (2) money equivalent of express orders, drafts. Money brought by one head of a family should not be credited against the amount in possession of [illegible].

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not (yes or no) the alien has been in the United States before, and if so, the year (or period of years) and place, as 1903, New York.

Column 19. *Whether going to join relatives or friends, and if so, what relatives or friends.*—The answer should show whether going to join (1) father, (2) friend, and (3) so, what relative or friend, with name and complete address.

Columns 20 to 35.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to scrutiny by inspectors at time of the examination of aliens. However, in connection with question 29, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the testimony for such reapplication should be given.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States, or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Jno J Kearney (Insert Master, First or Second Officer), of the S/S CANOPIC, from BREMERHAVEN, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 24 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each person aged 10 or upwards. Clerk (counter), stenographer, bookkeeper, farmer, gardener, laborer, merchant, miner, moulder, painter, printer, sailor, seaman, servant, shoemaker, tailor, weaver, etc., and not simply as engineer, physician, teacher, farmer, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown in Column 8.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the owner who employs it.

Steamship companies should assure that the entries on the manifests and corrections should be made, if necessary, by the officers and attesting clerks during the personal examination of aliens aboard.

Column 8 (*Able to read and write*).—This column is usually divided and contains the following question: "Read what language (or dialect)?" "Can he write?" In answering this question the language or dialect the alien is able to read should be stated. If alien is shown to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in such list.

Special consideration should be paid to the distinction between race and the country of which a person is a subject, country of last permanent residence, and country of birth, and questions should be constantly framed in connection with these points. For instance, Persons emigrating under the head of "Scotch," "Irish," "English," "German," "Hebrew," "Polish," "French," "Spanish," "Italian," "Mexican," "Cuban," "Porto Rican," "Chinese," "Japanese," "East Indian," "Turkish," "Russian," "Finnish," "Dutch," "Flemish," "Swedish," "Norwegian," "Danish," "Portuguese," "Roumanian," "Greek," "Syrian," "Armenian," "Bohemian," "Moravian," "Slovak," "Croatian," "Servian," "Ruthenian," "Magyar," "Bulgarian," "Dalmatian," "Montenegrin," "Slovenian," "Bosnian," "Herzegovinian," "Corsican," "Basque," "Celtic," "Canadian (French)," "Canadian (other than French)," "Acadian," "Australian," "New Zealander," "Indian (Hindu)," "Indian (native)," "Negro," "Pacific Islander," "Scandinavian," "Central American," "South American," "West Indian," "Polynesian," "Arabian," "African (native)," "African (Negro)," "Indian (American)," "Mexican (Indian)

STATE OF NEW YORK)
COUNTY OF KINGS) SS

ADAM EMERICH personally appears before me, Edward Schweizer Jr., a notary public in and for the county of Kings, state of New York, who, being by me duly sworn, on his oath doth depose and say, that he resides at #50 Noll Street, borough of Brooklyn, county of Kings, city and state of New York; that his daughter, Miss LILLIE EMERICH, 20 years of age, residing at Lockenbach, Kaiserslautz, Bayern, Germany, who was born in Brooklyn, N.Y., and at the age of about two years was taken abroad by him, the said ADAM EMERICH, now desires to return to the United States as soon as possible on account of the present conditions on the other side through which she cannot obtain a sustaining occupation; that he is willing to receive and care for his said daughter, in every respect so that she will not become a burden upon anybody especially not upon the city of New York nor upon any other part of the United States.

The said ADAM EMERICH does further depose and say, that he has declared his intention to become a citizen of the United States; that he resided in the United States from 1901 until 1905, from 1913 until 1920 and is now again in this country since April 1923; that he has his own household, is employed as a metal-worker, has an income of over $40.00 weekly and values his belongings at over $1,000.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, William Douglas, of the U.S.S. Wachusett, from Yokohama, do solemnly, sincerely, and truly that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, One in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

W. H. Cline
Master Officer.

Sworn to before me this 18th day of Dec, 1907

[illegible]
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for [illegible].

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade or profession of each alien arriving, as, for example, Civil engineer, stationary engineer, locomotive engineer, railroad engineer, house painter, stone painter, steel painter, iron-moulder, wood turner, etc., and not simply "engineer," "painter," "turner," or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown by aliens.

A farmer means one who operates a farm, either for himself or for others.

A farm laborer means one who works on a farm for the man who operates it.

Persons [illegible] should be returned as laborers, and corrections should be made, if necessary, by inspection and inquiry made during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Whether able to read." If any person is examined upon what appears to be a printed page in the language or dialect which he is able to read should be stated. If alien is unable to read and claims exemption under one of the clauses of the requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, as explained in the instructions for column 9. Country of last permanent residence and country of birth, and manifests should be carefully revised in all cases with reference to this regard. For instance, "France" appearing under the head of race or people, and, similarly, "French" appearing under the head of nationality, following the word "France" in the country. An Irish, German, or Hebrew alien by race should not be entered under the heading of England, Switzerland, or any other country. In this connection the following should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

The term "West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

The term "Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

The term "African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be returned as belonging

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be his last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. The entries for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Countries of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Columns 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of said relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States (state).

Column 14 (*If possible the United States*).

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, [illegible] or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case definite and full statement of the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894, [illegible] Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported on warrant of the Secretary of Labor and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, V. VOLDERG MASTER, of the S.S. United States, from [illegible], do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

V Volderg
MASTER
Officer.

Sworn to before me this NOV 19 1923 day of ....., 19

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The age as in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each person aged 14 years or over, stating definitely whether laborer, servant, or without occupation. Do not return laborers as farmers, nor servants as laborers. Persons of no occupation should be returned as such. Wives should not be returned as having no occupation merely because they perform household duties, unless they have no other occupation. Do not return dressmaker, milliner, seamstress, tailoress, or similar occupations as merely "domestic." Do not return engineer, mining engineer, stationary engineer, locomotive engineer, electrical engineer, mechanical engineer, civil engineer, steam engineer, marine engineer, consulting engineer, hydraulic engineer, mining expert, expert accountant, trained nurse, lithographer, photographer, aviator, chauffeur, professional baseball player, professional athlete, or other occupation requiring special skill, unless such skill has been acquired in this country. Do not return as laborers persons who have been engaged in any of the occupations enumerated in the Immigration Act of February 5, 1917, as excluded classes (contract laborers), except that persons returning from a temporary visit abroad may be returned as having the occupations which they previously followed.

A clergyman should be so returned, whether ordained or not, if he is a regularly appointed missionary, or is traveling in the prosecution of his calling.

A farmer should be returned as such whether he owns the farm which he cultivates or is employed by others.

A farm laborer is one who works on a farm, for the most part, for those operating it.

A laborer without special occupation should be returned as such.

Stenographers, typists, and bookkeepers should be returned by those designations, and not as clerks.

Steamship companies should realize that the proper classification of alien passengers, by occupations, is necessary to the due performance of the duties imposed upon the Immigrant Inspectors at the ports, and that frequently the answers to the question, "What trade, profession, or occupation?" are returned incorrectly, and sometimes entirely omitted. Particular attention is directed to the necessity for full and correct returns in this column.

Column 8 (*Able to read or write*).—This column should be filled and contains the following question: "Can read and write?" Question 8 should be construed to mean the ability to read and write some form of language. Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and answers should be generally governed by instructions and regulations in this respect. For instance, "Canadian" appearing under the head of race or people does not mean "French," "English," "Irish," or "Scotch," appearing under the head of race or people does not mean "German," "Austrian," or "Canadian," appearing under the head of country of last permanent residence does not mean "French," "English," "Irish," or "Scotch," and so forth. Agents should consider the heading of Scotland, Switzerland, or any other country. In this connection the following instructions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South American countries, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence rather than country of temporary residence, country of birth, nationality, or race.

Countries of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the name, city or town of intended future permanent residence, if within the United States, country if outside the United States.

Column 15. *Whether having a ticket to such final destination*.—The answer should be either Yes (in ticket) or No (no ticket).

Column 17 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) to the United States before, and if so, the year (or period of years) and place, as, 1893, New Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—Those questions are self explanatory and the answers like all others on the sheet are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, V. VOLDBORG MASTER, of the s/s "United States" (Master, First, or Second Officer), from Copenhagen, do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 1 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

V. Voldborg
MASTER
Officer.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Columns 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of the alien at last birthday, as, for example, 1 girl, 2 engineer, shipowner, stenographer, accountant, author, clergyman, lawyer, editor, steel puddler, iron molder, wood turner, etc., and not simply as laborer, servant, boy, girl, man, farmer, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money owned, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the owner who operates it.

Persons coming to this country under labor contract should be closely questioned on the manifests, and corrections should be made, if necessary, by immigrant inspectors during the personal examination of alien arrivals.

Column 8 (*Can read and write*).—This column is divided and contains the following questions: "Can read what language?" If can not read, mark "Can not read." In answering this question the language or dialect in which alien is able to read should be stated. If alien is unable to read and write mark "Can not read and write." Questions 7 and 8 are for the purpose of showing the literacy of aliens, the ability to read and write being the usual test applied. Any alien who can read and write is literate, and any alien who can not read and write is illiterate, no matter what his attainments may be in his native tongue. The ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which a citizen or subject. Frequently all the races mentioned are citizens or subjects of one country, and sometimes two races are citizens or subjects of two countries. The race or people, and not the country of which a citizen or subject, should be entered in this column. For instance, a "Scotch" subject should be entered as Scotch; a "Welsh" subject as Welsh; a "Flemish" subject as Flemish or Belgian; a "Canadian" subject as Canadian; a "Cuban" subject as Cuban; a "Mexican" subject as Mexican; a "Porto Rican" subject as Porto Rican; a "Chinese" subject as Chinese; a "Japanese" subject as Japanese; a "Hindu" subject as Hindu; a "Syrian" subject as Syrian; a "Turkish" subject as Turkish; a "Slovak" subject as Slovak; a "Jewish" subject as Hebrew; a "Negro" subject as Negro; a "Polish" subject as Polish; a "Russian" subject as Russian; a "Scandinavian" subject as Scandinavian; a "Finnish" subject as Finnish; a "Dutch" subject as Dutch; a "German" subject as German; a "French" subject as French; a "Spanish" subject as Spanish; a "Portuguese" subject as Portuguese; a "Welsh" subject as Welsh; a "Scotch" subject as Scotch; a "Irish" subject as Irish; a "Danish" subject as Danish; a "Norwegian" subject as Norwegian; a "Swedish" subject as Swedish

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other countries, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 14 (*Last permanent residence.*)—A recent or an extended residence of one year should constitute permanent residence. The last country in which aliens resided with the intention of remaining one year or more should be the last permanent residence regardless of length of actual residence therein. The entries in column 14 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence (not country of temporary residence, country of birth, nationality, or race).

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came.*)—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. (*Final destination.*)—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States (country, if outside the United States).

Column 15 (*Whether having a ticket to such final destination.*)—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid?*)—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*If in possession of $50, and if less than $50*)—The answer should be given in each case indicated as follows: Persons (including children) in money amount. Money brought by the head of a family should not be recorded against the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where.*)—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place (as 1901, New York; 1903, Philadelphia).

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend.*)—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to inquiry by immigration officers in the examination of aliens. However, in answering question 26, if alien has been deported or remained one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, V. VOLDBORG MASTER, of the S/S "United States", from Copenhagen, do solemnly, sincerely, and truly declare, that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 16 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

V. Voldborg
MASTER
Officer.

Sworn to before me this NOV 10 1923 day of ....., 19

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example: Chief engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel passer, iron worker, wood turner, etc., and not simply as engineer, worker, mechanic, farmer, or other indefinite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the profit who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and reports closed during the personal examination of aliens arrived.

Column 8 (*Able to read and write*).—This column is self-explanatory and contains the following question: "Read what language (or dialect) and write what language (or dialect)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and if time exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and inaccuracies should be carefully revised by inspectors and reports closed in this regard. For instance, "France" appearing under one head of the entries does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" for country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following discussions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Leguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination*.—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States country. If outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1904 (New York, Philadelphia).

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—Those questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 20, if alien has his readmitted within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, A. TROLLE, Surgeon of the s/s United States, Sailing thereon, (State whether Master, Surgeon, or Assistant Surgeon) do solemnly, sincerely, and truly DECLARE that I have had 43 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The medical College of Copenhagen, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this NOV 19 1923 day of , 19

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE. If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.
If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, V. VOLDBORG, MASTER, of the S.S. "United States", from Copenhagen, do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

V. Voldborg
MASTER.

Sworn to before me this NOV 19 1923 day of , 19

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, stone cutter, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and deputy clerks during the personal examinations of aliens at ports.

Columns 8 (*Can read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, under what provision]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Columns 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Columns 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and questions should be correctly answered. For instance, "Finnish" by race or people, and, similarly, "French," appearing under the head of country should not appear as entries. "Hebrew" is not a race. "Jew" is a race. "Scotch," "English," "German," and "French" are races or peoples, and should not appear under the heading of England, Scotland, Germany, or France. Under the heading of Ireland, "Irish" is a race, and "Celtic" is a people, either should be entered. "Irish" is not a race. An Irish, German, or Hebrew alien by birth may be a citizen of England, Scotland, Germany, or any other country. In this connection the following discriminations should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Africa or other islands of the West Indies, Mexico, Central America, South America, or Europe. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence. The entry should state "United States" if alien intends that United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 17 (*Alien in possession of $50, and if less than $50*).—The answer should give in each case the amount of money in possession of alien, not the amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Alien ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1907, Philadelphia.

Column 19 (*Alien going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 35.—These questions are self explanatory and the answers, like all others on the sheet, are subject to examination by inspection officers at the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

AFFIDAVIT OF SURGEON

I, Axel Trolle, Surgeon of the [illegible], Sailing therewith, (State whether Surgeon "sailing thereon" or "employed by" steamer named as the case may be.) do solemnly, sincerely, and truly DECLARE that I have had 43 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Medical College of Copenhagen, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 29 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF SURGEON

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, V. VOLDBORG MASTER, of the s/s "United States" (State whether Master, First, or Second Officer), from [illegible], do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

V Voldborg

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, civil engineer, stationary engineer, locomotive engineer, marine engineer, brass polisher, steel polisher, boat builder, wood turner, etc. And not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and reserve officers during the personal examination of aliens en route.

Column 8 (*Can to read and write*).—This column was intended and contains the following question: "Read what language (or if exemption pertains, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be correctly revised by inspectors and reserve officers in this respect. For instance, "France" appearing under the head of country does not mean "French," by consent. An Irish, German, or Hebrew alien by race (religious people) coming to the headland of England, Scotland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or Central America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in their birthland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata (Potenza), Calabria, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or attempted residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. The entries declared purposes that steamship companies automatically show country of last permanent residence indefinite, as country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence during year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States, except if to remain the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, friend, relative, father or other person named, steamship company, etc.

Column 17 (*Whether in possession of $50, and if not, how much*).—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be recorded also as the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not Yes or No, in the United States before, and if so, the year or period of years and place, as, 1894–1907, Philadelphia.

Column 19 (*Whether going to join relatives or friends, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 24.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 20, if alien has been deported within one year and the secretary of labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, V. VOLKOV, MASTER of the ..., from ..., do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

V. Volkov

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The ... is for use of Government officials only.

Column 4. *Age.* — The answer in this column should be expressed in years or months, the latter appearing only in those under 1 year of age.

Column 5. *Sex.* — The entry should be either M (male) or F (female).

Column 6. *Married or single.* — The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, Good engineer, stationary engineer, boot-making engineer, mining engineer, house painter, wood painter, car painter, wood turner, etc., and not simply laborer, engineer, painter, mariner, farmer, or other misleading designation.

A distinction should be made between laborers and farm laborers, regardless of the amount of money shown, as follows:

A laborer is one who cultivates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the owner who employs him.

Special care in the preparation of these columns and in the inspection and correction should be made, if necessary, by inspectors and promptly upon the closing of the personal examination of each individual.

Column 8. *Nationality.* — Under the column headed "Nationality" (Question 8 of the following questions, "Read what language he can, if any?") In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read any of the languages from the mentioned requirement, the ground for such exemption should be given.

Column 9. *Nationality.* — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* — See list of races printed on back ... The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between ... of which the citizen or subject country of last permanent residence and country of ... should be carefully pointed by inspectors and properly entered on this record. For ... "Finnish" has been ... "Russian" or "Swedish" ... "Hebrew" should not be used to designate race or people. Under the head of country of last permanent residence "Scotch" or "Welsh" should not be entered, but "United Kingdom" or "Great Britain" should be used. Under the head of race or people, however, the heading "Scotch" or "Welsh" may be used. Persons born in Cuba, Mexico, Newfoundland, and other countries in the Western Hemisphere, other than the United States, should not be described as natives of "America," but should be described as natives of the country of birth. In this connection the following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia, and their dependencies, whether residing in Italy, Austro-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.* — Actual or an intended residence of one year should constitute permanent residence. The last country in which a person resided with the intention of remaining one year or more should be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. If it is important for the purpose that statistics of emigration show country of last permanent residence independent of any city or temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.* — The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.* — The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14. *If ticket belongs to head to same final destination.* — The answer should be either Yes (ticket) or No (no ticket).

Column 15. *By whom was passage paid.* — The entry should show definitely by whom passage was paid as well as by whom, father, mother, wife, husband, friend, steamship company, etc.

Column 16. *If alien in possession of $50 and if less than $50, how much.* — The amount should be stated as definitely as possible, the exact amount if money shown. Money brought by the head of a family should not be classed against the personal possessions of the family.

Column 17. *If ever in U. S. before and if so, when and where.* — The entry should show whether or not (Yes or No) as the United States before, and if so, the year or period of years and place, as, 1903, Philadelphia.

Column 18. *If coming to join relative or friend, and if so, what relative or friend.* — The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 30. — These questions are self-explanatory and the answers, like all others on the sheet, are subject to inquiry by immigrant officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

I, V. VOLDBORG MASTER, of the S.S. "United States", from [illegible], do
(State whether Master, First, or Second Officer.)
solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Coal engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is ruled and contains the following question: "Read what language, if exemption is claimed, upon what ground?" In answering this question in the case more or less of the alien is able to read should be stated. If alien is unable to read and claims exemption from this reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and inquiries should be carefully pursued by inspectors and registry clerks in this regard. For instance, "France" appearing under the heads of country of which citizen or subject and country of birth does not mean "French" by race or people, and, similarly, "French" appearing under the heads of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race or people may come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Mexico, or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country to which a alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50 and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years), and place, as, 1894, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, Coal miner, stationary engineer, locomotive engineer, farmer, clerk, tailor, cook, painter, steel worker, merchant, wood turner, etc., and not simply laborer, gentleman, lady, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money owned, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

A farm is a tract of land regularly used for the production of the staples, such as grain, hay, potatoes, etc., and does not include land used for residence purposes only, such as city lots, or for the raising of fruit, flowers, vegetables, etc., for the market.

Special attention must be paid to the correct classification of laborers, and the following questions should be asked of all persons coming to the United States who state that they intend to engage in farming: "Have you a farm to work on?" "Who has it for you?" "Have you been promised employment on a farm?" "How much do you expect to earn per month?" "Have you any money with which to buy a farm?" "How much?" If the answers to these questions indicate that the immigrant is a laborer, he should be so classified, even though he may own property or have considerable money.

Column 8 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race to which each immigrant belongs.

Special attention is called to the distinction between race and the country of which citizen or subject, as frequently the race is entirely different from that of the country. For instance, a Negro, although a native of Jamaica, is a subject of Great Britain; a native of Hayti is a citizen of the Republic of Hayti; a native of Cuba is a citizen of the Republic of Cuba; a native of Canada is a subject of Great Britain; a native of Ireland is a subject of Great Britain; a native of Scotland is a subject of Great Britain; a native of Wales is a subject of Great Britain; a native of Germany is a subject of the German Empire; a native of Bohemia is a subject of Austria-Hungary; a native of Switzerland is a citizen of the Republic of Switzerland; a native of Mexico is a citizen of the Republic of Mexico; a native of Turkey is a subject of the Ottoman Empire; a native of Syria is a subject of Turkey; a native of Arabia is a subject of Turkey; a native of Persia is a subject of Persia; a native of China is a subject of China; a native of Japan is a subject of Japan; a native of India

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Residence.*—Steamship lines should make no entries in this column. The space is for use of [illegible]

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The answer should be either M (male), or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The word "none" should therefore be recorded as implying that the person has no occupation. Do not enter such terms as laborer, farmer, etc., unless accompanied by a word indicating the particular kind of labor performed, as, for example, agricultural laborer, day laborer, coal miner, wood turner, etc., and not simply "laborer," "miner," or "turner," which terms are applied to many different degrees of skill.

A child should be recorded as under fourteen years of age if the age is less than fourteen years on the last birthday, whether the next birthday be near or remote.

A person is to be regarded as able to read who can read some language, not necessarily English. A person is to be regarded as able to write if able to make legible characters which convey intelligible meaning. A person who can read but not write, or who can write but not read, is to be returned in the class to which he belongs.

Column 8. *Nationality.*—Under this head the answer should express the full name of the country to which the person belongs, as England, Germany, Italy, Mexico, Russia, Sweden, Turkey, etc. Do not enter as nationality such terms as "Hebrew," "Slavonian," "Finnish," "Polish," "Bohemian," "Austrian," "Magyar," "Servian," "Croatian," "Dalmatian," "Bosnian," "Herzegovinian," "Moravian," "Transylvanian," "Carpathian Mountains," "Black Forest," "Pyrenees," "Highlands," "Lowlands," or any other country. In this connection the following terms should be especially observed:

SCOTLAND.

The terms "Scotch" and "Scottish" refer to the Scotch people but not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (NEGRO).

"African (Negro)" refers to all Negroes, whether native born or natives of the various islands of the West Indies, Africa, or elsewhere. Any one born in the United States, of which the African race is indigenous, is to be returned as a native of the United States.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., comprising most of Piedmont, Lombardy, Venetia and Emilia, and other districts, as Liguria, Massa, Carrara, Lucca, Parma, Modena, Romagna, Umbria, the Marches, Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and these districts should be classified as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., comprising most of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and these districts should be classified as "Italian (South)." The last division includes people who speak the Tuscan dialect, which is considered the purest Italian.

Column 11. *Last permanent residence.*—A foreigner who has been previously in the United States frequently returns to his former home, remaining there for a longer or shorter period. Such persons are to be returned as from the country of their last permanent residence, even if they have been in the United States many times and intend to return again. If a person has resided in two countries, the country in which he has lived the longer time should be returned. If a person has lived exactly the same time in two countries, the country from which he last came to the United States should be returned. Persons who have never before been in the United States should be returned as from the country in which they have resided.

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative or friend.

Column 13. *Final destination.*—The answer to this question should describe clearly the place to which the immigrant is destined, as far as known at the time of his departure. An intended stop of a few days in New York, for the purpose of proceeding to another place, should not be returned as the destination. The fact that a person has friends or relatives in a certain place is frequently returned as indicating destination, whether the immigrant intends to settle there or not. The object should be to ascertain definitely whether the immigrant intends to remain permanently in the United States or only temporarily, or intends to pass through the United States.

Column 14. *Whether going to join a relative or friend, and if so, what relative or friend.*—The answer should show whether or not the immigrant has a friend or relative who has paid his passage or remitted money to him for the purpose of securing his coming to the United States, and if so, what relative or friend. The answer should name whether going to join father, mother, husband, wife, child, brother, sister, grandparent, uncle, aunt, cousin, nephew, niece, or friend, and the name and complete address of the relative or friend.

Column 15. *Have you ever been in prison or almshouse? If so, what institution and when?*—The entry should show whether or not the immigrant has been in the United States before, and if so, the institution or institutions and the time or period of years when. Prison, workhouse, jail, penitentiary, reformatory, house of correction, and similar institutions should be returned.

Column 16. *Are you a polygamist?*—The answer should be either Yes or No.

Column 17. *Are you an anarchist?*—The answer should be either Yes or No.

Column 18. *Are you coming under a contract or agreement to perform labor in the United States?*—The answer should be either Yes or No. Any one coming under a contract or agreement to perform labor in the United States is to be returned, whether the labor is skilled or unskilled.

Column 19. *Have you a ticket through to your final destination?*—The answer should be either Yes or No.

Column 20. *Are you in possession of $50, and if less, how much?*—The entry should show whether or not the immigrant has in his possession at least $50 in money, and if he has less than $50 the exact amount. Money belonging to the head of a family should not be accounted as that of the several members of the family.

Column 21. *Whether ever before in the United States, and if so, when and where?*—The entry should show whether or not the immigrant has been in the United States before, and if so, the time or period of years and place, or places, of previous visit or visits.

Column 22. *Whether going to join a relative or friend, and if so, what relative or friend?*—The answer should name whether going to join father, mother, husband, wife, child, brother, sister, grandparent, uncle, aunt, cousin, nephew, niece, or friend, and the name and complete address of the relative or friend.

Columns 23 to 27.—These questions answer themselves and the answers, like all others in the blank, are required to proceed from the immigrant himself in the examination of aliens. However, in answering question 27, if action has been commenced, or a warrant issued, for the arrest of an alien who has been found in the United States in violation of law, or if such alien has been arrested, or is under bond to appear for a hearing before the Board of Special Inquiry, or has been excluded and deported, or has appealed from the decision excluding him, or has been granted a stay of deportation, or has appealed from the decision ordering his deportation, or has been granted a privilege to depart voluntarily from the United States in lieu of deportation, or has departed voluntarily from the United States after the commencement of proceedings for his deportation, or has been deported, or has departed from the United States while under an order of deportation, or is a member of one of the classes of aliens ineligible to citizenship seeking admission to the United States, or is an alien who has been convicted of a felony or other crime or misdemeanor involving moral turpitude, or is an alien who has been convicted of two offenses for which the aggregate sentence imposed was five years or more, or is an alien who has been convicted of violating any law relating to the traffic in narcotic drugs, or is an alien who has been convicted of violating any law relating to the traffic in or the manufacture of intoxicating liquors, or is an alien who has been convicted of violating any law relating to the traffic in or the manufacture of intoxicating liquors within one year from the date of his last entry into the United States

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each person aged 14 years and over, whether actually employed or not. Wives, children, and persons under 14 years of age, even though they may assist their parents in their occupations, should be entered as having no occupation. Laborers, without further qualification, should be described as such. Do not use indefinite terms, such as "manufacturer," "dealer," "merchant," "agent," "clerk," "engineer," "mechanic," "farmer," "servant," "driver," "teacher," "student," "operative," "peddler," "laborer," "worker," "boy," "girl," "man," "woman," or "child." Nor should such terms as "grocer," "butcher," "carpenter," "tailor," "blacksmith," "miller," "weaver," "shoemaker," "baker," "clothier," "printer," "cooper," "bookkeeper," "stenographer," "draftsman," "electrician," "machinist," "plumber," "painter," "bricklayer," "stonecutter," "tinsmith," "gardener," "butler," "cook," "housekeeper," "nurse," "maid," "porter," "waiter," "janitor," "chauffeur," "coachman," "footman," "lineman," "helper," "miner," "fireman," "conductor," "motorman," "foreman," "lumberman," "longshoreman," "hostler," "seaman," "fisherman," "sailor," "soldier," "sailmaker," "rigger," "stevedore," "trapper," "guide," "trimmer," "deckhand," "teamster," "turner," "stableman," "groom," "gardener," "gamekeeper," "herder," "shepherd," "chainman," "rodman," "axeman," "surveyor," "topographer," "actor," "actress," "musician," "professor," "author," "editor," "lecturer," "clergyman," "physician," "surgeon," "dentist," "nurse," "chemist," "scientist," "engineer," "aviator," "missionary," "lawyer," "artist," "sculptor," "engraver," "photographer," "librarian," "interpreter," "secretary," "clerk," "agent," "broker," "contractor," "inventor," "manufacturer," "capitalist," "merchant," "gentleman," "lady," "housewife," "housework," "none," "at home," "retired," "student," "scholar," "pupil," "minor," "child," "infant," "baby," "son," "daughter," "brother," "sister," "wife," "husband," "father," "mother," "grandfather," "grandmother," "grandson," "granddaughter," "relative," "family," "servant," "employee," "apprentice," "inmate," "prisoner," "convict," "ward," "pauper," "charge," "dependent," "refugee," "exile," "deportee," "tramp," "vagrant," "beggar," "unemployed," or "none," unless the following descriptions should be necessarily observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the peoples of the West Indies other than Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the peoples of Central and South America of Spanish descent.

AFRICAN (NEGRO).

"African (negro)" refers to the Negro peoples of Africa and adjacent islands, except Cubans, West Indians, Spanish Americans, and other specified races of the West Indies, Central America, and South America.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy; i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants. Should not be confused with Sicily, Sardinia, Apulia, Calabria, Tuscany, Umbria, and Latium and their descendants. Should not be confused with Italy. Sometimes people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po; i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Latium, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants. Should not be confused with Italy. Sometimes people speak a Gallic dialect of the Italian language.

Column 11 (*Last permanent residence*).—Aliens who have not acquired a permanent residence elsewhere should write the name of the country in which is situated the town or city they regard as their permanent residence. The last country in which aliens have resided for a year or more should be entered as their permanent residence, unless they can show that they have the intention of residing permanently elsewhere. In answering this question, persons who have been in the United States and who have gone abroad for a temporary visit only should not be considered as having acquired a permanent residence abroad. The expressions "temporary visit abroad" and "temporarily visiting abroad" apply to persons who have the intention of returning to the United States after the accomplishment of the purpose which has occasioned their departure. If the intention of returning cannot be clearly established in the case of any alien, the immigrant inspector at the port of arrival should decide whether the alien is to be regarded as an emigrant or a temporary visitor, basing his decision upon the statements made by the alien in answering this question and such other questions as may seem to him necessary.

Country of last permanent residence.—Aliens who have resided outside the United States and are returning from a visit abroad should be entered as "United States."

Column 12 (*Nearest relative or friend in country whence alien came*).—The entry should give name and address of alien's relative. If no such relative resides in the country of which alien is a citizen or subject, the nearest relative or friend in such country should be given.

Column 13 (*Final destination*).—The answer to this question should show the intended future permanent residence. As a general requirement, mere visits to friends or relatives should not be considered sufficient to establish permanent residence. Persons coming to the United States to reside should write the name of the city or town. If going to a farm, the name of the county and State should be given.

Column 15 (*Whether having a ticket to final destination*).—The answer should be either Yes or No (or Y or N).

Column 16 (*By whom were passage paid*).—The entry should show whether the alien's passage was paid by himself or herself, by relatives, or by other persons, stating relationship, if any.

Column 17 (*Whether in possession of $50 and if less than $50*).—The entry should show whether the alien has in his or her possession at least $50 in money, and if less than $50 the amount. The purpose of this question is to prevent the admission of persons who are likely to become public charges. Money brought by the head of a family should be regarded as the property of the family as a whole.

Column 18 (*Whether ever before in the United States and if so, when and where*).—The entries should show whether the alien has ever been in the United States before, and if so, the year or period of years and place, as, 1903, New York.

Column 19 (*Whether going to join relatives or friends, and if so, what relatives or friends*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are self-explanatory and the answers likewise. Other questions are authorized to be asked by inspectors in the examination of aliens. However, in answering questions 20 to 23, if aliens have declared intention to become citizens and the Secretary of Labor has authorized them to reapply for admission, the nationality for such reapplication should be given.

AFFIDAVIT OF SURGEON

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, V. VOLDBORG MASTER of the "[illegible]", from [illegible], do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

V. Voldborg

[illegible] Officer.

Sworn to before me this [illegible] day of [illegible], 19

at New York

[illegible]

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, a coal engineer, shipwright, engineer, locomotive engineer, mining engineer, farm laborer, stock herder, cook, waiter, baker, tailor, dressmaker, seamstress, housekeeper, servant, clerk, bookkeeper, merchant, manufacturer, etc., and not simply as laborer, gentleman, lady, etc.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown on hand.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the most part for someone else.

Special care should be taken that the information on the subject and correct one should be made, if necessary, by questioning and cross-questioning the alien as to his occupation in his native country.

Column 8 (*Can read and write*).—This column is to be used only to answer the preceding question. Should it be ascertained that an immigrant is able to read, but not to write, the fact should be stated. If alien is unable to read and claims exemption from the reading test, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention is invited to the distinction between race and the country of which a citizen or subject. Country of last permanent residence and country of birth and nationality should be carefully ascertained for various races and peoples, in their relation to these columns. For instance, Hungary recognizes the Magyar as a distinct race and people. Hungary is made up of people that, speaking by race or people, are Magyars, Germans, Croatians, Slovaks, Servians, Ruthenians, Roumanians, Jews, Gypsies, etc. Again, Germany, or Hungary, may be the birth or nationality, but not the race or people, of a Pole, Bohemian, Hebrew, Croatian, Slovak, Servian, Ruthenian, Roumanian, Jew, Gypsy, etc. A large German, or Hungarian, colony may exist in Russia, but the people are not Russian, but German or Hungarian, as the case may be. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the Negro people, whether coming from Africa or other islands of the West Indies, Central or South America, Europe, or Asia. Any alien with a preponderance of blood of the African Negro should be classed as African (black).

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po, i. e., comprising the provinces of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and their immediate adjacent islands, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., comprising the provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their immediate adjacent islands, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Entered only to show intended residence of alien for one year or more. Should not indicate temporary residence. The last country in which aliens resided who have the intention of remaining in the United States for one year or more should be the last permanent residence, regardless of how long or for what purpose they resided in any country other than their own. Persons who have resided in another country for a year or more with the intention of returning to the United States at the end of that time, or after the accomplishment of a certain purpose, should not be considered as having their permanent residence in such country. Citizens of the United States who have resided abroad for a year or more should write the country in which they resided last before coming to the United States. If they have resided in different countries, the country in which they resided the longest during the year should be given. Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest friend or relative in country whence alien came*).—The entry should give name and address of such relative. In no case should a mere street number be given.

Column 13 (*Final destination*).—The answer to the question recorded above should be recorded before payment of residence. A person in transit through the United States to Canada, Mexico, or foreign countries should have the destination to the place in such country, not intended to become permanent residence, written. The United States, although, it should not be the United States.

Column 14 (*Whether having a ticket through to final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom sent if not prepaid*).—The entry should show the name by whom passage was paid, as self, husband, father, friend, employer, steamship company, railroad, etc.

Column 16 (*Whether in possession of $50 and if not, how much*).—The answer should be given in each case, and the sum of money actually in possession of the alien should be shown. Money brought by the head of a family should be considered as in the possession of the husband.

Column 17 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether yes (Y) or no (N) in the United States before, and if so, the year or period of years and place, as, 1902, New Orleans.

Column 18 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—These questions are self-explanatory and the answers like all others on the sheet, are to be made from information by passengers and not by the examining officer. However, in answering question 26, if alien has been deported within one year, the examining inspector or board of labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, A. TROLIE, Surgeon of the [illegible], [illegible], do solemnly, sincerely, and truly DECLARE that I have had 43 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Medical College of Copenhagen, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 26 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

Column 2 (Head tax status).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Age).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year old.

Column 5 (Sex).—The entry should be either M (male) or F (female).

Column 6 (Married or single).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as laborer, clerk, engineer, stationary engineer, bookkeeper, mechanical engineer, mining engineer, housekeeper, shoemaker, tailor, weaver, farmer, servant, etc., and not simply as gentleman, gentlewoman, student, teacher, or married woman, housework, etc.

If illiterate, write "No." If alien can read, but cannot write, write "Can read, cannot write." In answering this question the knowledge or ability to read the entire language should not be required. If alien is able to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (Nationality).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which a person is a citizen or subject. Country of last permanent residence and country of birth, also, should be carefully answered. Answers such as "English," "Scotch," "Welsh," "Irish," "Canadian," "Mexican," "Cuban," "Porto Rican," "Indian," "Negro," "Chinese," "Japanese," "Hebrew," "Russian," "Polish," "Turkish," "Armenian," "Syrian," "Arabic," "Dutch," "Flemish," "Belgian," "Swiss," "Norwegian," "Swedish," "Finnish," "Spanish," "Portuguese," "Italian," "Australian," "Scandinavian," "German," "French," "Greek," "Bulgarian," "Servian," "Roumanian," "Croatian," "Slovak," "Ruthenian," "Magyar," "African (black)," "African (white)," "East Indian," "Pacific Islander," "South American," "West Indian," "Central American," "American," "United States," "U. AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ...V...VOLDBORG MASTER, of the [illegible], from [illegible], do solemnly, sincerely, and truly DECLARE that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 22 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Head tax status).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be written M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien above fifteen years of age, whether actually employed or not. If a laborer, specify what kind of laborer, as "farm laborer," "day laborer," "mine laborer," "railroad laborer," etc. If a mechanic, specify whether "carpenter," "shoemaker," "tailor," "printer," "blacksmith," "engineer," "machinist," "butcher," "baker," "cook," "painter," "mason," "stone cutter," "plasterer," "plumber," "bricklayer," "miner," "driller," "weaver," "dressmaker," "milliner," "seamstress," "housekeeper," etc. If a clerk, specify whether "bank clerk," "shipping clerk," "salesman," "bookkeeper," "stenographer," "typewriter," "cashier," "accountant," "office clerk," etc. If a professional man, specify whether "lawyer," "physician," "surgeon," "chemist," "architect," "civil engineer," "mining engineer," "clergyman," "musician," "professor," "teacher," "trained nurse," "artist," "sculptor," "author," "editor," "journalist," etc. If a person of rank or title, specify whether "baron," "baroness," "count," "countess," "prince," "princess," "duke," "duchess," "marquis," "marchioness," "viscount," "viscountess," "earl," "countess," "chief," "leader," etc. If a student, specify whether "student," "college student," "high school student," "grammar school student," "primary school student," "kindergarten student," etc. Do not use indefinite terms such as "laborer," "mechanic," "manufacturer," "dealer," "agent," "clerk," "professional man," "gentleman," "lady," "servant," "boy," "girl," "child," "infant," "scholar," "minor," "farmer," "rancher," "planter," "overseer," "foreman," "stockman," "herder," "cowboy," "fisherman," "sailor," "soldier," "trapper," "hunter," "guide," "miner," "driller," "weaver," "dressmaker," "milliner," "seamstress," "housekeeper," etc.

A laborer employed by the inside hands on farms is a farm laborer, regardless of the amount of money allowed as wages.

A farmer is one who operates a farm, either for himself or for others.

A farm manager is one who performs a share of the work of operation.

Stockmen, overseers, foremen, and others in the employ of the above classes and not owning land should be marked, if necessary, by some appropriate adjunct, such as "cattle," "sheep," "horse," "dairy," "stock," "poultry," etc.

Column 8 (*Nation or people*).—This column must be carefully answered to the following question: "What is the language [or dialect] spoken by the person described, and what race or people?" It is important that the answers in this column be specific and definite. It often is impossible to read and classify correctly the manifests unless this question is properly answered. The general terms "American" and "Negro" should not be used.

Column 9 (*Last permanent residence*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Races, peoples*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which the person is a citizen or subject. For instance, persons born in Cuba and admitting should be classified as Cuban, but as to race or people as Negro, white, mulatto, etc. Persons possessing certain Southern European countries may be natives of Turkey, but according to the list of races they should be classified as Turkish, Armenian, Greek, Syrian, or Hebrew, according to their race or people. Persons born in Mexico may be Mexican, Indian, Negro, Spanish, or of some other race or people. Persons born in Canada may be English, Irish, Scotch, French, German, or Hebrew, or of some other race or people, and so on through the various countries of the globe. The word "native" should not be used in connection with the name of any country. In this column the following descriptions should be used and understood:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or the West Indies, Central or South America, Europe, or Africa. All members or descendants of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether naturalized in the United States or not, should be returned as "Italian (north)."

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether naturalized in the United States or not, should be returned as "Italian (south)."

Column 11 (*Last permanent residence*).—Record as an intended permanent residence one year or more. Record as last permanent residence a country in which alien has lived one year or more with intention of making it his permanent residence. The last country in which alien has lived one year or more with intention of remaining one year or more should be the last permanent residence recorded, even though alien has visited another country for a short time. Questions 11 and 12 should show the country and city or town of last permanent residence. It is important for statistical purposes that considerable attention be given by those entering the last permanent residence (place of residence of immigrant previous to departure for United States) of aliens.

Citizens of one permanent residence, a citizen who has permanent residence in the United States and who returns from a visit abroad. The term should be recorded "United States."

Column 12 (*Final destination*).—The answer to this question should show the intended future permanent residence. As intended residence of one year should constitute permanent residence. The entry should show definitely the place or city or town of intended future permanent residence. If within the United States, entry should be city or town and State.

Column 13 (*Whether having a ticket to and final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 14 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as, self, husband, father, mother, other relative, friend, steamship company, etc.

Column 15 (*Whether in possession of $50, and if not, how much*).—The intended entry should show whether immigrant has $50 in his possession or control, and if not, how much. Money brought by the head of a family should be included in the total amount possessed by each member of the family.

Column 16 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not alien has been in the United States before, and if so, the year or period of years and place, as "1907, New York."

Column 17 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether alien is going to join any relative or friend, and if so, what relative or friend, with name and complete address.

Columns 30 to 32.—These questions are self-explanatory, and the answers, like all others on the sheet, are subject to inspection by inspectors in charge of the immigrant stations. However, in answering question 32, if alien has been deported or has otherwise experienced the severity of labor has authority to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, A. IKOLLE, Surgeon of the [illegible] Service, do solemnly, sincerely, and truly DECLARE that I have had 43 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The medical College of Copenhagen, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 28 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer to this column should be expressed in years or months, the latter appropriate only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (Divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, actual or last acquired. Child, wife, husband, servant, laborer, farmer, merchant, engineer, mariner, seaman, tailor, painter, shoemaker, blacksmith, carpenter, mason, miner, weaver, dressmaker, housekeeper, milliner, etc., and not simply "manufacturer," "dealer," "trader," "agent," or other equally indefinite designations.

A "farmer" should be made between laborers and farm laborers, regardless of the amount of money shown on hand.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer means one employed to work for a farmer or his employer.

Seamen, cooks, stewards, and all persons who are employed on the steamship and cannot be landed if not on board, by immigration and quarantine officials, should be marked "Crew" in this column.

Column 8 (*Able to read and write*).—Persons who can read and understand the English language or some other language or dialect should be recorded as able to read. In determining this question the statement or claim of the alien is sufficient. It does not require actual reading. If alien is unable to read and claims exemption from that requirement, the reason therefor, as specified, should be given.

Columns 9 to 14 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which a person is a subject or citizen. A Jew possessing sufficient means and character of birth, good previously should be passed by consular officers if otherwise eligible in this respect. The expression "Hebrew" as meaning neither race nor people should not be used. Instead of it, some one of the following designations should be employed: "Jewish," "Spanish Hebrew," "Russian Jew," "German Jew," "Polish Jew," "English Jew," "Dutch Jew," "Portuguese Jew," "Italian Jew," "Arabian Jew," "Persian Jew," "Turkish Jew," "Egyptian Jew," "Abyssinian Jew," "Hindu Jew," "Chinese Jew," "Japanese Jew," "Spanish Jew," "Greek Jew," "Roumanian Jew," "Syrian Jew," "Armenian Jew," "Scandinavian Jew," "Finnish Jew," "Bohemian Jew," "Moravian Jew," "Slovak Jew," "Croatian Jew," "Dalmatian Jew," "Bosnian Jew," "Servian Jew," "Montenegrin Jew," "Bulgarian Jew," "Lithuanian Jew," "Russian Jew," "Polish

EXTRACT FROM IMMIGRATION ACT OF FEBRUARY 5, 1917.

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the master, agent, owner, or person having charge of the vessel to deliver to the immigration officer at the port of entry a list or manifest of all aliens who are on board the vessel, which list or manifest shall be prepared according to the directions of the Commissioner General of Immigration, and shall contain such additional information relative to such aliens as the Commissioner General of Immigration shall require. Lists or manifests of aliens need not be required by the immigration officers at ports other than ports of first arrival, except that the Commissioner General of Immigration may require lists or manifests of aliens who are to be transported through any port in pursuance of immediate or through transportation contracts. Every master, agent, owner, or person having charge of any vessel bringing an alien who is not in possession of a valid unexpired immigrant visa, or who is not a bona fide resident of Canada, Newfoundland, Mexico, Cuba, Porto Rico, the Canal Zone, the Republic of Panama, Colombia, Costa Rica, Salvador, Honduras, Nicaragua, or Haiti, coming to the United States from any of said countries, or who is not in possession of an unexpired permit to reenter the United States issued to him by the Secretary of Labor, shall, before such vessel departs from the port at which such alien is then a passenger, report in writing to the immigration officer in charge at such port the name, nationality, last permanent residence, and intended destination in the United States of such alien, and shall furnish such other information in regard to such alien as the Secretary of Labor may prescribe. Every such master, agent, owner, or person having charge of any vessel failing to report any such alien, or to furnish information in regard thereto, shall be fined $200 for each such alien, and may be refused clearance papers until the fine is paid or the question of his liability to pay the same is determined as hereinafter provided. Every such master, agent, owner, or person having charge of any vessel bringing any alien who is not in possession of a valid unexpired immigrant visa, or who is not a bona fide resident of Canada, Newfoundland, Mexico, Cuba, Porto Rico, the Canal Zone, the Republic of Panama, Colombia, Costa Rica, Salvador, Honduras, Nicaragua, or Haiti, coming to the United States from any of said countries, or who is not in possession of an unexpired permit to reenter the United States issued to him by the Secretary of Labor, shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district to which the vessel is bound the cost of such alien's passage, which cost, however, shall not be collected or paid in respect of any alien who is in possession of a valid unexpired immigrant visa and who is not otherwise subject to exclusion, but no such vessel shall be granted clearance papers pending the determination of the question of the liability to the payment of such cost, and in the event such fine is imposed, while it remains unpaid, no bond shall be cancelled nor shall clearance papers be granted for the vessel on account of which such fine was imposed. Decisions by the Secretary of Labor may be reviewed prior to the determination of such question upon request of a carrier affected thereby.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W.H. HENRY K Master, of the TYRRHENIA, from London., do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. 1/6 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head of family.* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.* — The answer in this column should be expressed in years or months, the latter applying only to those under 1 year old.

Column 5. *Sex.* — The entry should be either M (male) or F (female).

Column 6. *Married or single.* — The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Coal engineer, shipping clerk, farmer, or laborer, nothing altogether broad being permissible. Such entries as "Engineer," "Clerk," "Merchant," or "Laborer" are not sufficiently descriptive. Persons having no occupation, as women and children, should be returned as "None."

A distinction is allowed to be made between farmer and farm laborer, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the wage who operates it.

Steamship companies should make it their duty to call the attention of their agents to this question; if necessary, by personal interview, and it is their duty to see that proper entries and corrections should be made.

Column 8. *Can read and can write.* — These columns are to be filled during the personal examination of aliens and only.

"Read what language (or if exemption is claimed, upon what ground)." In answering this question the inspector or person who is able to read should be stated. If alien is unable to read and claims exemption state the reason given, the ground for such exemption should be given.

Column 9. *Nationality.* — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* — See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Country of last permanent residence and country of birth, and questions should be answered by name of race and people as shown in this respect. For instance, a native of Scotland, Ireland, or Wales should be described as Scotch, Irish, or Welsh by race or people, and similarly, natives appearing under the heads of several countries should not be described as "Austrian," "Hungarian," "English," "Russian," or "Turkish," as the case may be, but as one of the races or peoples of those countries. As least, German or Hebrew alien by race or people previous to coming under the Kingdom of Portugal, Switzerland, or any other country. In this connection, the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish [illegible]

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other West Indies, Central or South America, Europe, or Africa. Any alien with a trace of African [illegible] Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po, comprising the provinces of Piedmont, Lombardy, Venetia and Umbria and those provinces which are bordering in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, comprising the provinces of Tuscany, Parmania, the Marches, Umbria, Rome, the Abruzzi and Campagna, Molise, Puglie, Calabria, Lucania, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.* — A record of an intended permanent residence of one year should be sufficient. The last country in which alien has resided for one year should be entered, as for instance, if alien came from Italy to the United States and resided in France for 2 years, the latter country should be entered. If alien has resided in two countries for one year each, the country in which he resided last should be entered. If alien has resided in several countries for short periods only, the country in which he resided last for one year should be entered. The object of this question is to ascertain the country in which alien has established a home, even though temporarily, and from which he emigrated to the United States. It is not intended that aliens who are permanent residents of the United States and who have been temporarily visiting abroad are to be questioned as to their intentions of returning to the United States, but are to be entered as having their permanent residence in the United States.

Column 12. *Name and address of person who paid passage.* — If paid by the alien, write "Himself." If by another person, write the name and address of such person, as "Father," "Friend," "Employer," etc.

Column 13. *Final destination.* — The answer to the question as to whether the intended future residence is permanent or temporary. An intended residence in the United States for a short period of time, as for instance, a few months, should be considered temporary. The object of this question is to ascertain whether the alien intends to enter the United States for permanent residence or merely to visit the country temporarily, or pass through it en route to some foreign country. If such latter is the case, the alien should be questioned as to the length of time he intends to remain in the United States, and the answer recorded accordingly.

Column 14. *Whether having a ticket to such final destination.* — The answer should be either Yes or No, as the case may be.

Column 15. *By whom was passage paid.* — The entry should show (1) whether the alien had sufficient money to pay his own passage, and (2) if not, by whom passage was paid, as "Himself," "Father," "Employer," etc.

Column 16. *If in possession of $50 and over, how much.* — The entry should show whether or not alien has in his (or her) possession at the time of inspection money (cash) amounting to $50 or more, and if so, how much. Money brought by the head of a family should be considered as belonging to the family.

Column 17. *If ever in the United States before, when and where.* — This question should show whether or not alien has been in the United States prior to present visit, and if so, the year or years and place or places, as, "1902, New York."

Column 18. *If going to join relatives or friends, and if so, what relatives or friends.* — The answer should show whether or not alien is going to join or meet relatives or friends, and if so, what relatives or friends, with name and complete address of same.

Columns 20 and 21. *Physical and mental defect.* — These questions are intended to elicit information as to whether the alien has any mental or physical defect of such character as to bring him within the excluding clauses of the law. The answers to these questions should be full and complete, and if any defect noted exists, the answer should indicate whether the defect appears to be of a temporary or permanent character. If alien has been deported at any time previously, the fact should be stated in answer to question 20. If alien has been deported as an anarchist or as a person who believes in or advocates the overthrow by force or violence of the Government of the United States, or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or who is a member of or affiliates with any organization entertaining and teaching such beliefs, or who publishes or sells or has in his possession for sale any printed or written matter containing such teachings, he is excluded by the immigration act of 1918, and if he seeks to enter the United States he may be refused admission and deported in the same manner as provided for other classes of excluded aliens. If alien has been deported and thereafter seeks to enter the United States, he is excluded by the immigration act of 1917

I, W.H. Hossack Master *, of the* TYRRHENIA *, from* London, *, do solemnly, sincerely, and truly* Swear *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 1/6 *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status.*)—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age.*)—The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex.*)—The entry should be either M (male) or F (female).

Column 6 (*Married or single.*)—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation.*)—The entry should describe as accurately as possible the occupation, trade, or profession of the alien, if any. As for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, house painter, sign painter, shoemaker, wood turner, etc., and not simply as engineer, painter, shoemaker, turner, or other broad term, or laborer.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make free delivery on the arrangement, and corrections should be made, if necessary, by inspectors and reserve clerks during the process of examination before arrival.

Column 8 (*Can read and write.*)—This column may be inserted and contains three leading questions, "Read what language (or, if cannot read, speak what language)." In answering the first question the language in which the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality.*)—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people.*)—See list of races printed on back of this sheet. The entry should show the nearest possible shade of each race.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and questions should be answered in accordance with specific directions in this regard. For instance, "Russia" appearing under the head of country does not mean "Russian" by race or people, and, similarly, "Poland" appearing under the head of race or people does not mean "Polish" by country. An Irish, German, or Hebrew might have race or people entry under the heading of Russia, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with a trace of black blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po (i. e., compartments of Piedmont, Lombardia, Venezia, and Emilia and Lucca Compartments, whether residing in Italy, another country, or non-quota islands, are now called upon to declare themselves as "Italian (North)." Most of these people speak a Gallic dialect as the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Toscana, the Marches, Umbria, Roma, Abruzzi and Molise, Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (South)."

Column 11 (*Last permanent residence.*)—Answer of an intending immigrant to this question should indicate the country in which alien has lived and has been domiciled with the intention of remaining for an indefinite period. The fact that an alien has lived in a country for a number of years solely as a means to an end, with no intention of permanent residence therein, does not constitute such country the last permanent residence of such alien. It is the intention of the alien at the time of departure from the country from which he emigrates that controls as to his right to admission. Temporary visits abroad by aliens who have established a permanent residence in the United States do not interrupt the continuity of such residence, irrespective of the length of time spent abroad, unless the alien has in fact abandoned his residence in the United States during the temporary visit abroad.

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came.*)—The entry should give name and address of such relative. If no such relative or friend, give name and address of friend.

Column 13 (*Final destination.*)—The answer to this question should show the intended future permanent residence. An intended sojourn of a few years only, constitutes temporary residence. The entry should show definitely how many years, if any, of intended future permanent residence in which the United States remains a principal destination.

Column 14 (*Whether having a ticket through to final destination.*)—The answer should be either Yes or No, as the case may be.

Column 15 (*By whom was passage paid.*)—The entry should show definitely by whom passage was paid, as self, father, mother, husband, wife, other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50 and if less how much.*)—The question also is to be answered by each one, and not by the head of a family for the entire party. Money brought by the head of a family should not be credited to dependent members of such family.

Column 17 (*Whether ever before in the United States and if so, when and where.*)—The answer should show whether or not alien was ever before in the United States and if so, the date (if period of years and place, as, 1904–'07, Philadelphia).

Column 18 (*Whether going to join relatives or friend, and if so, what relatives or friend.*)—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 25.—These questions are self-explanatory and the answers (like all others on this sheet) are answered by reference to the conditions subsisting in the country of alien's birth. However, in answering question 20, if alien had been admitted on first entry and the Secretary of Labor has authorized him to reapply for admission, the word only for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, K.C. Morrin, Surgeon of the TYRRHENIA, Sailingtherewith (State whether surgeon, acting surgeon, or employed by owners thereof, or the master), do solemnly, sincerely, and truly Swear that I have had 4 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of ....., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 1 /6 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

K.C. Morrin

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien aged, as, for example, 13 all laborers, shoemakers, engineers, merchants, clerks, seamstresses, servants, carpenters, brass polishers, steel polishers, men milliners, wood turners, etc., and not simply as laborers, polishers, and lace workers, or dressmakers.

A distinction should be made between farmers and farm laborers, regardless of the amount of money known, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Seamen, passengers should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and reviewers also during the preparation of alien arrivals.

Column 8 (*Can read and write*).—This column is subdivided and comprises the following questions:

"Read what language (or, if exemption incidental upon what ground)."—In answering this question the manner or element the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Question 9 "Nationality."—Question 9 should be construed to mean the country of which given as a citizen or subject.

Column 10 (*Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people to which given as such belongs.

Special attention should be paid to the distinction between race and the country of which a person or subject, country of last permanent residence, and country of birth, and passengers should be questioned by inspectors and reviewers also during the preparation of alien arrivals. For instance, "Russia" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. As Irish, Scotch, or Welsh also by race might properly appear under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South American, Europe or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the Lower Po (i.e., northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Romagna and whose characteristics would be produced in Italy, Switzerland. A native Romagnese or any other emigrant should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the limits of the River Po (i. e., compartments of Piedmont, Lombardy, Venetia, and Romagna). Tuscany, the Marches, and Umbria, Abruzzi, Campania, Basilicata, Calabria, Apulia, Molise, and Sardinia. Sicily, and Caprera, Lampedusa, Pantelleria, Elba, Monte Cristo, and Ponza. A native of any of the above mentioned districts should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A full and complete statement of each alien's last permanent residence. The last permanent residence should be stated as the country in which the alien has resided for a year or more immediately prior to coming to the United States. If the alien has resided in the country mentioned for less than one year, the country in which he resided prior to coming to the United States should be stated. Mere temporary visits abroad should not be considered as changing the permanent residence of the alien. It is not sufficient if the alien states that he intends to return to the country of his last permanent residence. If he has not resided for a year or more in any country since leaving the country of his birth, that fact should be stated.

Column 12 (*Name and address of nearest relative or friend in country whence alien came*).—The entry should show the name and address of such relative or friend. If no such relative or friend, given name and address of wife.

Column 13 (*Final destination*).—The answer to this question should show the intended future permanent residence. As a temporary visit abroad will not change a person's permanent residence, if within the United States, the answer should show the place where the alien intends to reside permanently in the United States. Intending to go to the United States.

Column 14 (*Whether having a ticket to said final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as, self (meaning thereby that the alien has in his own possession sufficient money to pay his passage), father, mother, husband, wife, brother, sister, friend, steamship company, etc.

Column 16 (*Whether in possession of $50, and if not, by whom was it furnished, and how much*).—Money brought by the head of a family should not be included as the personal possession of each member of the family.

Column 17 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as, 1904, New Philadelphia.

Column 18 (*Whether coming to join a relative or friend, and if so, what relative or friend*).—The answer should show whether going to join, or attend a relative or friend, and if so, what relative or friend, with name and complete address.

Questions 20 to 34.—These questions are self-explanatory, and the answers, like all others on the sheet are subject to inquiry by inspectors and reviewers also during the preparation of aliens. However, in answering question 25, if alien has been deported within one year under the provisions of law, the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (males) or F (females).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, horse breeder, wheat breeder, poet, teacher, wood turner, etc., and not simply as "engineer," "breeder," "farmer," "turner," or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer (entire work or time) works on a farm for the man who operates it.

Steamship companies should make their lists out on the typewriter, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arriving.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exception is claimed, upon what ground]." In answering this question the language or ground claimed by alien to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention is drawn to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and inquiries should be carefully framed by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by nation. An Irish, German, or Hebrew alien by race or people cannot be classified under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardia, Venezia, and Emilia) and their descendants, whatever dwelling in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Toscana, the Marches, Umbria, Roma, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whatever dwelling in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year should constitute permanent residence. The last country in which alien registered with the intention of remaining one year or more should be the last permanent residence regardless of length of actual residence thereon. The answer in column 11 should show the country and city or town of last permanent residence. It is duty, stated for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are professional students of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question should show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence if within the United States; if outside the United States.

Column 14 (*Whether having a ticket to your final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, be self, husband, father, friend, or relative (name and address), steamship company, etc.

Column 17 (*Whether in possession of $50 and if less, how much*).—The answer should give in each case (self or for) the exact amount in money. Money brought by the head of a family should not be divided between the women members of the family.

Column 18 (*Whether ever before in the United States and if so, when and where*).—The entries should show whether or not alien has been in the United States before, and if so, the year (or period of years) and place, as, 1907, Ellis Island.

Column 19 (*Whether going to join relatives or friend, and if so, what relatives or friends*).—The answer should show whether going to join relative, a relative or friend, and if so, what relatives or friend, with name and complete address.

Columns 20 to 48.—These questions are self-explanatory and the answers, likewise all others on the sheet, are subject to inspection by inspection officers as the exigencies of cases require. However, in answering question 2, if alien has been admitted with a non-preference visa and has subsequently, at Department of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] MASTER, of the TYRRHENIA, from HAMBURG, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 20 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Head tax status).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Age).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—This entry should be either M (male) or F (female).

Column 6 (Married or single).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer means who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Able to read and write).—This column, to be extended and contains the following question: "Read what language (or, if examination is objected, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (Nationality).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and mistakes should be carefully resolved by inspectors and registry clerks in this respect. For instance, "France" appearing under the head of race or people does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. As Irish, Germans, or Hebrews often by race might prosper, depending whether the heading of Liverpool, Queenstown, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South American, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their immediate, whether resident in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry should give name and address of such relatives. If no such relatives living, give name and address of friend.

Column 13 (Final destination).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. This entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (By whom was passage paid).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (Whether in possession of $50, and if less, how much).—The answer should show for each individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (Whether ever before in the United States, and if so, when and where).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1898 (Yes); Philadelphia.

Column 19 (Whether going to join relative or friend; and if so, what relative or friend).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 28.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, H. Morrin, Surgeon of the S.S. Tyrrhenia, (State whether Surgeon "sailing thereon" or "employed by owners thereof," as the case may be) do solemnly, sincerely, and truly Swear. that I have had Five years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of British Medical Council, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relating to the mental and physical condition of such aliens.

LIST OF RACES OR PEOPLES

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers (either of [illegible] individuals) or of [illegible]

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] MASTER, (State whether Master, First, or Second Officer) of the TYRRHENIA, from HAMBURG, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
[illegible] Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given on said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereto. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relatives, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less than $50*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894 (New York, Philadelphia).

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answer to question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ... MASTER ....., of the TYRRHENIA ....., from HAMBURG ....., do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

..... Officer.

Sworn to before me this 19 NOV 1928 day of ....., 19

..... Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of the alien arrival as, housewife (or if usual occupation, shirtwaist maker, lace-mender, etc.), engineer (civil, mining, mechanical, stationary, locomotive, electrical, marine, etc.), laborer (specify kind), servant (specify kind), clerk, salesman, merchant, manufacturer, farmer, farm laborer, stockman, herder, shepherd, dairyman, gardener, miner, driller, driver, mason, painter, plasterer, plumber, blacksmith, carpenter, cabinetmaker, moulder, weaver, spinner, tailor, tailoress, baker, barber, boatman, bricklayer, butcher, cook, engraver, fireman, fisherman, furrier, glassblower, goldsmith, hatter, jeweler, lithographer, machinist, metalworker, milliner, miller, painter, pattern maker, photographer, pilot, potter, printer, saddler, sailor, shoemaker, stonecutter, tailor, tanner, tinsmith, turner, upholsterer, weaver, wheelwright, or other trade, as the case may be. Persons formerly engaged in any trade or occupation, but not following it at present, should be returned as "retired." Persons of leisure or those living on income should be returned as "gentleman" or "lady," as the case may be. Students should be returned as "student." Persons without occupation should be returned as "none." Laborers, factory workers, and servants should be further described as to the particular branch of work they are engaged in, as, for example, "laborer, coal mine," "laborer, sugar plantation," "servant, private family," "servant, hotel," "factory worker, textile mill," "factory worker, boot and shoe factory," etc. Do not use indefinite terms such as "laborer" or "factory worker" alone.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer means one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and sentry clerks during the personal examination of aliens arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or if exemption is claimed, upon what ground)." In answering this question the language or alleged fact which qualifies or disqualifies the alien to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special attention is called to the point to the distinction between race and the country of which citizen or subject. Country of last permanent residence and country of birth should likewise be carefully noted. Inspectors and sentry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by means usually possesses a passport issued under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian," refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other countries, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A land of an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country as last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1903, 1905, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, K C Morrin, Surgeon of the TYRRHENIA BEING HEREWITH, (State whether Surgeon sailing thereon or employed by owners thereof or otherwise in his) do solemnly, sincerely, and truly SWEAR that I have had 5. years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of British Medical Council, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 19 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization or association which entertains and teaches disbelief in or opposition to organized government, or which teaches the unlawful destruction of property, or is a member of the anarchistic classification of [illegible] officer or official, either of specific individuals or of officers generally, or [illegible] other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] MASTER, of the TYPHOON, from HAMBURG, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] COMMANDING Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of the alien on arrival, as, for example, "chief engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc.," and not simply as "engineer, polisher, molder, turner, or other indefinite designations."

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens enroute.

Column 8 (*How to read and write*).—This column has been divided and contains three questions: "Read what language (or dialect) alien is able to read should be stated. If alien is unable to read any language (or dialect) the fact is to be stated. "Write what language (or dialect) alien is able to write should be stated. "Can both read and write?" In answering this question the language or dialect therein is to be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption claimed should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which a citizen or subject, country of last permanent residence, and country of birth, and greatness should be carefully observed by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of race or people does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. A Jew from Germany, or Italy, or Russia is by race usually properly classified under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South American, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, Umbria, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A stay of an intended residence of one year shall constitute permanent residence. The last country in which aliens resided with the intention of remaining one year or more should be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relatives. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the name of city or town of intended future permanent residence. The entry should state "United States," if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (unticketed).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (*If in possession of $50, and if less, by whom made*).—The answer should give in each case (individual or family) the exact amount of money in possession. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1894, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 97 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.
If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the government of the United States or of all forms of law, or who disbelieves in, or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization or society that believes in or teaches any of the foregoing, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of particular individuals or of officers generally, of the Government of the United States or of any other organized government because of his [illegible] views.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. Hoosemann, MASTER, of the TYRRHENIA, from HAMBURG, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make no alterations on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens aforesaid.

Column 8 (*Able to read and write*).—This column should be ruled and contains the following questions: "Read what language [or, if exemption is claimed, upon what ground]?" In answering this question the language or ground stated the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given to said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" as entered under the head of country does not mean "French" by race or people and, similarly, "French" as entered under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race must properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the peoples of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether a native from Cuba or other islands of the West Indies, South or South American, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relatives. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States country, if outside the United States.

Column 15 (*Whether having ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1891, Ellis Island; 1901, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, K C Morrin, Surgeon of the TYRRHENIA SAILING THEREWITH, do solemnly, sincerely, and truly SWEAR that I have had 5. years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of British Medical Council, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 8 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] MASTER (State whether Master, First, or Second Officer) of the TYRRHENIA, from HAMBURG, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 2 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien above 15 yrs. The entry for each child, infant, servant, etc., should be the same as that entered opposite the name of parent, guardian, or person to whom child belongs. Such entries as "laborer," "engineer," "clerk," "manufacturer," "capitalist," "gentleman," "lady," "housekeeper," "housework," "none," and the like are insufficient. Such occupations should be described specifically as "coal miner," "mine operator," "civil engineer," "cotton planter," "stock raiser," "grain merchant," "wood turner," etc., and not simply as "engineer," "planter," "dealer," "turner," or other indefinite designation.

A "farmer" should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A "farmer" is one who operates a farm, either for himself or for others.

A farm operator is one who conducts a farm for his own profit.

A farm laborer is one who works on a farm for his own profit.

Attention is directed to the fact that the question should be answered in accordance with the above definitions.

Column 8 (*Can read or not read*).—This column is for the purpose of showing whether the alien can read or not read the language or dialect of some country. The word "can" or "not" should be entered, as the case may be, opposite each name.

Column 9 (*Nationality*).—Answer to question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which he is a citizen or subject, country of last permanent residence, and country of birth, and entries should be correctly made in response to each inquiry, as called for by the headings. For instance, persons appearing under the head of countries do not belong to such races or peoples as are variously described as "Hebrew," "Russian," "Polish," "Finn," "Lithuanian," "Slovak," "Bohemian," "Moravian," "Dalmatian," "Croatian," "Servian," "Montenegrin," "Bosnian," "Herzegovinian," "Roumanian," "Armenian," "Syrian," "Arabian," "Turkish," "Greek," "Spanish," "Portuguese," "Italian," "Scandinavian," "Dutch," "Flemish," "German," "French," "Scotch," "English," "Irish," "Welsh," "Cornish," "Manx," "Celtic," "Basque," "Negro," "Mongolian," "Indian," "Chinese," "Japanese," "Korean," "Malay," "Polynesian," or "Pacific Islander," but persons belonging to such races or peoples are variously described as natives of Russia, Finland, Poland, Lithuania, Bohemia, Moravia, Austria, Hungary, Dalmatia, Croatia, Slavonia, Bosnia, Herzegovina, Servia, Montenegro, Roumania, Armenia, Syria, Arabia, Turkey, Greece, Spain, Portugal, Italy, Sweden, Norway, Denmark, Holland, Belgium, Germany, France, Scotland, England, Ireland, Wales, Cornwall, Isle of Man, Switzerland, Hungary, Iceland, Japan, China, Korea, Siam, Malay States, Polynesia, Pacific Islands, Africa, Mexico, West Indies, Central America, South America, Australia, New Zealand, or other countries.

A native born should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A "farmer" is one who operates a farm, either for himself or for others.

A farm operator is one who conducts a farm for his own profit.

A farm laborer is one who works on a farm for his own profit.

Attention is directed to the fact that the question should be answered in accordance with the above definitions.

Column 11 (*Last permanent residence*).—"Last permanent residence" is to be understood to mean the country in which the alien has resided with the intention of remaining one year or more. The last permanent residence is regardless of temporary residence therein. The alien is to explain. If alien says "Germany" is not to be taken as proof of last permanent residence. It is important for statistical purposes that aliens claiming permanent residence abroad show country of his permanent residence independent of country of nationality, nativity, country of birth, nationality, or race.

Column 12 (*Final destination*).—Intending immigrants should be encouraged to write the name of the city, town, or village in the United States to which they are destined, if known. If going to a friend, the name and address of friend should be given.

Column 13 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether or not the alien is going to join relatives or friends, and if so, what relatives or friends, with name and complete address.

Columns 14 to 22.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by immigration officers at the examination of aliens. However, in answering question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, that authority for such reapplication should be given.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Europe, possessions, America, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A citizen, extended residence of one year shall consist to permanent residence. The last country in which aliens resided with the intention of remaining one year or more shall be the last permanent residence regardless of temporary residence therein. The alien is to explain. It should never be accepted as proof of last permanent residence. It is important for statistical purposes that aliens claiming permanent residence abroad show country of his permanent residence independent of country of nationality, nativity, country of birth, nationality, or race.

Column 12 (*Final destination*).—Intending immigrants should be encouraged to write the name of the city, town, or village in the United States to which they are destined, if known. If going to a friend, the name and address of friend should be given.

Column 13 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether or not the alien is going to join relatives or friends, and if so, what relatives or friends, with name and complete address.

Columns 14 to 22.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by immigration officers at the examination of aliens. However, in answering question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, that authority for such reapplication should be given.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the peoples of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the peoples of Central and South America of Spanish descent.

AFRICAN (NEGRO).

"African (black)" refers to the Negro races, whether coming from Africa or other islands of the West Indies, Mexico, or South America, Europe, or Asia. All races with any admixture of blood of the African Negro race to be classified under this heading.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—Age answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M. male, or F. female.

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, coal engineer, stationary engineer, farm laborer, mining engineer, house painter, wood painter, wood turner, etc., and not merely laborer, engineer, painter, turner, or other indefinite designation.

A person who should be made person and property and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer means a man who works on a farm for the man who operates it.

Steamship companies should report each alien's occupation and correction should be made, if necessary, by passengers and surgeons during the passage, examination, or after arrival.

Column 8 (*Able to read and write*).—The answer to this question must be either Yes or No. Read what language for. If unable to read or write, but can speak the language of his native country, the answer to the question as to ability to read should be entered "No." In answering this question the surgeon is directed to make a careful inquiry and examination of each alien for the purpose of ascertaining whether he comes within the reading requirements, and should not be governed by statements made by others.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Country of last permanent residence and country of which last citizenship should be established by naturalization and personal action of the alien. For example, a person of Armenian race may have subsequently been born in Russia, but still an Armenian. Persons of Hebrew race may have subsequently been born in Germany, Austria, Russia, Poland, Roumania, or the British Dominions, and yet not be citizens or subjects of those countries. Persons of Scotch, Welsh, English, Irish, German, or Hebrew race may be citizens of the United States, Canada, Mexico, Cuba, Scotland, Wales, England, Ireland, Germany, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether native, born in Europe, or in the United States, or of mixed parentage. Persons of African descent with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardia, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, America (North or South), or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy, Switzerland, America (North or South), or any other country, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A resident for one year shall constitute permanent residence. The last country in which aliens resided with the intention of remaining one year or more shall be the last permanent residence acquired. Long visits, sojourns, etc., in other countries during which no intention to remain is shown, are not considered as permanent residence. It is important for statistical purposes that steamship companies endeavor to show correctly the last permanent residence (independent of temporary residence, country of birth, nationality, or race).

Country of last permanent residence means country of origin of alien passing out of the United States and not returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should show name and complete address of nearest relative or friend in country whence alien came.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended sojourn of one year shall constitute permanent residence. The entry should show definitely the State (or city in case of intended future permanent residence in Mexico, Canada, or Newfoundland) to which the alien is destined in the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, whether himself, father, husband, or other relative, friend, steamship company, etc.

Question 16 (*Whether in possession of $50 and, if less, how much*).—The answer should be yes or no (as to whether alien has $50 in his possession), and if less than $50 the exact amount in his possession should be stated. Money brought by the head of a family should not be credited to other members of the family.

Column 17 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not alien has been in the United States before, and if so, the year or period of years and place, as, 1903, New York. Thus (1903, New York).

Column 18 (*Whether going to join relatives or friends, and if so, what relatives or friends*).—The answer should show whether going to join either a relative or friend, and if so, what relatives or friend, with name and complete address.

Columns 20 to 23.—These questions are self-explanatory, and the answers likewise all others on the sheet, are subject to revision by inspectors in charge on the examination of aliens. However, in answering question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

I, E C Morrin, Surgeon of the TYRRHENIA [illegible], do solemnly, sincerely, and truly SWEAR that I have had 5 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of British Medical Council, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 11 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Wm Hossack MASTER, of the TYRRHENIA, from HAMBURG, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 15 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. This space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months; the latter to apply generally to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entries should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Clerk, seamstress, stationary engineer, locomotive engineer, metal polisher, blacksmith, steel worker, iron moulder, wood worker, etc., and not simply as engineer, laborer, mechanic, worker, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer means who operates a farm, either for himself or for others.

A farm laborer means one who works on a farm for the benefit of his employer.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and others before the aliens' declarations are taken.

Column 8 (*Able to read and write*).—This column must be filled and contains the following question: "Read what language or dialect, if any person is examined upon what ground?" In connection with this question the last three or four words "able to read should be stated. If alien is unable to read and a writ exemption from the requirement be presented, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs according to said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and particular should be exercised by inspectors and examining officers in this respect. For instance, persons appearing under the head of races or peoples should not write "American," "English," "French," appearing under the head of races or peoples does not mean "European" or "American," "English," "French," but that the person is of the race or people which constitutes the bulk of the population of England, France, or European countries, and not necessarily as indicating the location of his birth or last permanent residence in any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether born in Cuba or other islands of the West Indies, North or South America, Europe, or Africa. All races with admixture of blood of the African Negro should be classified under this head.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Accept as an intended residence of one year shall constitute permanent residence. The last country in which aliens resided with the intention of remaining one year or more should be last permanent residence, regardless of length of actual residence thereat. The actions in each case, if disputed, or controverted, must always determine the question of last permanent residence. It is important for statistical purposes that aliens' declarations accurately show countries of last permanent residence, independent of ancestry or temporary residence (country of birth, successive, or race).

Country of last permanent residence of alien who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question should show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place or town of intended future permanent residence, if within the United States (country if outside United States).

Column 14. *Whether having a ticket to such final destination.*—The answer should be either Yes (to key) or No (to key).

Column 16. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, by friend, father, mother, or other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50 and if less than $50.*—The answer should be yes or no in each case (referring to the cash in possession of the alien). Money brought by the head of a family should not be divided among the several members of the family.

Column 18. *Whether ever before in United States and if so, when and where.*—The entries should show whether or not Yes or No to the United States before, and if so, the year for period of years, and place, as, "1907, Philadelphia."

Column 19. *Whether going to join relatives or friends, and if so, what relatives or friends.*—The answer should show whether going to join father, relative or friend, and if so, what relative or friend, with name and complete address.

Concluding Notes.—These questions are self explanatory and the answers, like all others on the sheet, are not to be construed by inspectors officers in the examination of aliens. However, in answering question 26, if alien has been deported previously, one word and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] MASTER, of the TYRRHENIA, from HAMBURG, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Columns 2 (*Head tax if any*).—Steamship lines should make no entries in this column. The space is for use of immigration officials only.

Column 4 (*Age*).—The answer to this column should be expressed in years or months, the latter if under one year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widow(er)), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Farmer, clothier, engineer, laborer, servant, tailor, tailoress, seamstress, housekeeper, wood turner, etc., and not merely laborer, servant, engineer, tailor, tailoress, seamstress, housekeeper, wood turner, etc., and not merely "gentleman," "lady," "servant," "laborer," or other indefinite designations.

A mother should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Special attention should be paid to the correct and complete answering of this question.

If necessary, by interpreter and sworn, before making the personal examination of each alien.

Column 8 (*Able to read and write?*).—This question is also included and requires the following question: "Read what language?" If possession of ability to read other than the English language is claimed, upon what passage is the alien required to read and of what publication? The passage submitted for the alien to read should be underscored, and the name of the publication should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs as mentioned in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country to which belonging. For instance, natives of England, Scotland, and Wales are frequently returned as "English," "Scotch," or "Welsh," according to their birth, which is correct as to race, but incorrect as to country of which citizen or subject. For instance, natives of Ireland are frequently returned as "Irish," which is correct as to race, but incorrect as to country of which citizen or subject. As Irish, Germans, or Hebrews often go from the British Dominions, Germany, or Russia, respectively, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Africa or other islands of the West Indies, Mexico, or South America. Anyone with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Leghorn, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A record is to be entered regarding your alien's last permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The answer is to show (1) if possible, the city and (2) the country of last permanent residence. Independent of the statistical purposes that steamships subserve in carefully showing countries of last permanent residence, the question of sanitary conditions, countries of high immorality, or more particularly of sanitary precautions, countries of high immorality, or more particularly of sanitary precautions, countries of high immorality, or more particularly of sanitary precaut

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W.H. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for vessel Government officials only.

Column 4 (*Age*).—The ages given in this column should be expressed in years or months, the latter applying strictly to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Civil engineer, stationary engineer, locomotive engineer, manufacturer, farmer, cabinet maker, stone cutter, iron moulder, wood turner, etc., and not simply as laborer, peddler, trader, dealer, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Should any contradictions be noted from distinctions in the manifests, such corrections should be made if necessary, by examiner and reported to commissioner having the personal examination of such aliens.

Column 8 (*Nationality*).—Under several heads (divided and covering the following questions) entitled "Read what language (or if a citizen of a country what country)." In ascertaining the nationality of the [illegible] the instructions issued thereto should be carefully examined. If alien is a citizen, read and claim exemption from the reading requirement. If proper oral or written examination cannot be given, [illegible]

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should be one of the races or peoples appearing on that list.

Special attention should be given to the distinction between race and the country of which the alien is a citizen or subject, inasmuch as the permanent residence in a country of aliens and their descendants, whether residing in their native country or in other countries, often results in their being classed by immigration officials as natives of that country. For instance, natives of [illegible] are frequently classed as "Russian Hebrews," although they may be of entirely different race from the Russian people. Natives of Scotland are frequently classed as "English," natives of Wales frequently as "English," natives of Ireland frequently as "Irish," natives of Switzerland frequently as "French," "German," or "Italian," natives of Bohemia frequently as "German," natives of Hungary frequently as "Austrian," natives of Finland frequently as "Russian," natives of Iceland frequently as "Danish," natives of Canada frequently as "English," natives of Mexico frequently as "Spanish," natives of Cuba frequently as "Spanish," natives of Scotland frequently

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Under status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien named, as for example: Clerk, engineer, stenographer, bookkeeper, miner, shoemaker, tailor, seamstress, housewife, servant, laborer, farmer, farm laborer, etc., and not simply "worker," "student," "child," or "none." Persons of no occupation should be returned as such.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the mere subsistence of himself.

Steamship companies should pass this distinction on the manifests, and corrections should be made, if necessary, by inspectors and agents, before leaving the passenger's last foreign port. If alien engages in more than one occupation, the principal one should be stated.

Column 8 (*Can you read and write?*).—This column is self-explanatory and requires [illegible] question "Read what language?" or "Write what language?" is not necessary. If the person understands any language, this sufficiently answers the question as to whether the alien can read or write. If alien is illiterate, read and write columns should be left blank.

Column 9 (*Nationality*).—Question it should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, evidence of last permanent residence, and country of birth, and manifests should be carefully prepared by examining and questioning aliens on these points. For instance, "German" as nationality means that the head of country is a German person. "French" is used on people and countries. "Dutch" may mean an inhabitant of the Netherlands or people does not mean. "German," "French," "Dutch," may mean an inhabitant of Germany, France, or Holland, respectively, but these terms are not used to indicate race or people. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any person with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia and four departments in western Liguria), Spezzia-Massa, Apuania, Lucca, Pistoia, Florence, Arezzo, Forli, Ravenna, and Pesaro (now in the compartment of Marches), should be classified as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and those born in Italian colonies should be classified as "Italian (south)."

Column 11 (*Last permanent residence*).—Used to ascertain emigrant's former home, which constitutes permanent residence. The last country in which alien resided a year or more is considered his country of residence, unless he left it for temporary residence only, or as a traveler, without intending to change his permanent residence. The purpose in column 11 should show the country, and city or town if last permanent residence. It is important for statistical purposes that the information given concerning personality show country of last permanent residence independent of birth, race, allegiance, or temporary residence of family, nationality, or race.

Country of last permanent residence should not be given when alien is only a transient resident of the United States and has recently come from foreign country for a temporary visit only.

Column 12 (*Alien in possession of a passport?*).—Answer should be "Yes" or "No" as the case may be. The entry should give date and address of person in question. If no such passport is held, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question should show the intended future permanent residence. Any intended permanent residence outside the United States should be stated. The entry should name definitely the State (or town, if intended future permanent residence, if within the United States country, it extends the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (such fact).

Column 15 (*By whom was passage paid*).—The entry should also designate by whom passage was paid, as such [illegible] father, husband, or other relative, friend, steamship company, etc.

Column 16 (*Amount in possession of alien, not less than $50*).—The amount should be given in each case and not as a total. The exact amount, if between $50 and $100, should be given. Money in possession of the head of a family should not be charged against members of the family.

Column 17 (*Whether ever in the United States before, and if so, when and where*).—This question should show whether or not alien has been in the United States before, and if so, the year or period of years and place, as, 1906, Ellis Island.

Column 18 (*Whether going to any relatives or friends, and if so, what relatives or friends?*).—The answer should show whether going to join either relatives or friend, and if so, what relative or friend, with name and complete address.

Column 19 (*Whether deported, and if so, why*).—These questions, concerning deportation and the answers likewise, other on the sheet, are subject to revision by inspection officers in the examination of aliens. Therefore, in answering question 20, if alien has been deported, or has come under the provisions of the law authorizing him to reapply for admission, the authority for such reapplication should be given.

Note.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or officers generally, of the Government of the United States or of any other organized government, because of his or their official character, or who is a member of or affiliated with any

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W.H. HOSSACK Master *(Master, or Acting Master, or Commanding Officer, or Purser, or Surgeon in charge)*, *of the* " TYRRHENIA " *, from* London. *, do solemnly, sincerely, and truly* Swear *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 1 /13. *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

W.H. Hossack

Commanding Officer.

Sworn to before me this 19th *day of* November, *123*

at New York.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, "mill engineer, steel-mill engineer, mining engineer, house painter, steel worker, iron moulder, wood turner, etc.," and not simply "engineer," "painter," "worker," "turner," or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for thereon, without operating it.

Stockmen, overseers, dairymen, etc., should be classified on the manifests, and corrections should be made, if necessary, by the inspectors and registry clerks during the personal examination of aliens at ports.

Column 8 (*Can he read and write*).—Every alien is considered as answering the following question: "Read what language (or dialect)?" "Write what language (or dialect)?" An affirmative answer to either the question or the other requires a ability to read or write, as the case may be, in order that the alien may pass the reading requirement, and persons who are unable to read and write cannot pass the reading requirement, and persons in such exempted classes should be given

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special stress should be placed upon the distinction between race and the country of which citizen or subject. The country of last permanent residence and country of birth, and nationality should be carefully reviewed by inspectors and registry clerks in this regard. For instance, a person entering under the head of country classified from "Ireland" by race or people and, similarly, "French" as entering under the head of race or people often are not aliens. Persons of Irish, German, or French race often by reason of property owning or residence in England, Newfoundland, or any other country. In this connection the following points should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien with admixtures of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po, in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and those immediately adjacent thereto in Italy, Southern Switzerland, Austria-Hungary, or any other countries, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Umbria, Tuscany, the Marches, Latium, Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and those immediately adjacent thereto in Italy, Southern Switzerland, Austria-Hungary, or any other countries, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Question 11 should be construed to mean what constitutes permanent residence. The fact that an alien has resided for a considerable period in any country, or has acquired property therein, does not necessarily establish such country as the place of permanent residence. If an alien has resided in any country for one year or more, with the intention of remaining there permanently or indefinitely, such country should be given as place of last permanent residence. If in the opinion of the inspector the statements of the alien do not establish a permanent residence, the inspector should report the facts in the case, and the decision will be made at the office of the commissioner in charge.

Column 12 (*Final destination*).—Question 12 should be construed to mean the place within the United States and its possessions to which alien intends to proceed from the port of first arrival. Where alien intends to proceed to Canada, the answer should be "Canada."

Column 13 (*Ticket paid by whom and whether in whole or in part by himself or herself*).—The entry should show whether the passage was paid by the alien himself or herself, or by relatives, friends, steamship company, or others, and whether in whole or in part by the alien himself or herself.

Column 14 (*Whether in possession of $50 and if less how much*).—The entry should show the amount of money in the possession of each alien, whether it be in the form of cash, bank notes, drafts, money orders, or other forms. Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (*Whether going to join a relative or friend, and if so, what relative or friend, and address*).—The answer should show whether going to join father, mother, husband, wife, child, brother, sister, uncle, aunt, cousin, grandparent, or friend, and if so, what relative or friend, with name and complete address.

Columns 16 and 17.—These questions, relating to disease and deformity, and the answers like all others on the sheet, are subject to inspection by inspection officers at the several ports of entry. However, in accordance with question 20, if alien has been debarred at previous port of entry and has since gained admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, K.C. MORRIN, Surgeon of the TYRRHENIA, Sailing therewith, do solemnly, sincerely, and truly Swear that I have had 4 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of British Medical Council, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 1/13. in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

K C Morrin M.D. Edin.

at New York.

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W.H. Wm H Hossack

Commanding Officer.

Sworn to before me this 19th day of November, 1923

at New York.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Last name first*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The entries in this column should be expressed in years or months, the latter applying only to children under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe accurately as possible the occupation, trade, or profession of the alien. All persons engaged in gainful occupations, including wives assisting husbands in such occupations, should be credited with such occupations. Persons of no occupation should be entered as "none." Laborers employed in or about mines should be specifically described as such. Entries such as "laborer," "servant," "student," "clerk," etc., should not be used unless modified to indicate character of work performed.

A person who is both a laborer and a farmer should be entered as one or the other, according to which he considers himself.

A farmer is one who owns or rents a farm, either for himself or for others.

A person employed in any capacity on a farm for the year round is classified as a farmer.

Special care should be exercised to secure a full description for the immigrant, and correct data should be made, if necessary, by cross-examination of the alien by the immigrant inspector. The questions contained in this column should be answered specifically. Thus, if a laborer, state what kind of laborer; if a farmer, state whether he owns or rents the farm he operates; if a servant, state what kind of servant; if a clerk, state what kind of clerk; if a student, state what he studies; if a woman, state whether she is a housewife, housekeeper, servant, or what not; if a child, state whether it goes to school or not; if a person of leisure or wealth, so state; if a professional man, state whether he is a physician, surgeon, lawyer, engineer, teacher, clergyman, author, musician, actor, artist, scientist, etc.; if a person has no occupation, state the fact.

Column 8 (*Able to read*).—Use list of races printed on back of this sheet. The entry should show the races of persons as there classified.

Column 9 (*Country of which citizen*).—Should be filled in the distinctive line between race and the country of which citizen or subject, especially if dual nationality exists. The country of which citizen should be considered the country to which the immigrant owes allegiance. For instance, a Canadian native born of Scotch parents should be entered as a native of Canada, a native born Irishman naturalized in the United States should be entered as a citizen of the United States, and a native born Irishman who has not become naturalized, but has resided in the United States for the required time to become naturalized, should be entered as a subject of Great Britain. Care should be taken to distinguish between citizens of the United States born in Germany, Austria-Hungary, Russia, Turkey, etc., and natives of those countries who have not become citizens of the United States. Where the immigrant has resided for a long time in a country other than that of which he is a citizen or subject, the entry should show the country of former residence.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the races of persons as there classified.

I, ...W.H. Hozaack Master ....., of the "TYRRHENIA" ....., from London. ....., do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 1/13. in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

W.H. Hozaack

Commanding Officer.

Sworn to before me this 19th day of November, 19 23

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer given in this column should be expressed in years or months, the latter only for children under 1 year of age.

Column 5. *Sex.*—The entries should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, whether he has any occupation, if a child or an aged person, and whether he has a trade or profession. Laborers, farmers, and servants should specify the character of work in which they are engaged, as "laborer—general farm work," "laborer—coal mine," "farmer," "servant—domestic work," etc., and not simply "laborer," "farmer," or "servant." Persons formerly engaged in any occupation, trade, or profession, but not following it when they arrive, should be reported as "none."

A mother must always be made to account separately and fully for children, regardless of the amount of money she has.

A person living upon his income should so state.

A person living upon the earnings of his wife or children should so state.

A person having no occupation must be returned as such, regardless of his ability to support himself.

Column 8. *Nationality.*—Country of which citizen or subject.

Column 9. *Race.*—Under this column each alien must be reported according to race or people. Persons from the British Isles should not be returned as from the United Kingdom, but as English, Scotch, Irish, or Welsh, according to the birthplace and race of the person. Germans from Austria-Hungary should be returned as Germans, not as Austrians or Hungarians, and Germans from Switzerland should not be returned as Swiss. Citizens of the various countries of Central and South America should be returned according to the country of which they are citizens or subjects, and not according to the place of birth. Natives of Cuba should be returned as Cubans or Spanish Americans, and natives of Porto Rico as Porto Ricans. Natives of the Philippine Islands should be returned as Filipinos. Natives of Hawaii should be returned as Hawaiians. Natives of Japan should be returned as Japanese, whether they are laborers, students, or travelers for pleasure. Natives of China, including Hongkong, should be returned as Chinese, whether they are laborers, students, or travelers for pleasure. Natives of Turkey in Asia should be returned as Turks, unless they declare themselves to be Armenians, Syrians, Arabians, Kurds, Jews, or some other race. Natives of Arabia should be returned as Arabians. Natives of Persia should be returned as Persians. Natives of India should be returned as Hindus. Natives of Afghanistan should be returned as Afghans. Natives of Siberia should be returned as Siberians. Natives of Finland should be returned as Finns. Natives of Iceland should be returned as Icelanders. Natives of Australia should be returned as Australians. Natives of New Zealand should be returned as New Zealanders. Natives of Africa should be returned as Africans, Negroes, Kaffirs, Zulus, Hottentots, Bantus, Fulas, Moors, Berbers, Abyssinians, Soudanese, Nubians, Madagascans, or Liberians, according to the race to which they belong. Natives of Canada should be returned as Canadians, and natives of Newfoundland as Newfoundlanders, whether they are English, Scotch, Irish, French, or of other descent.

GERMAN.

The term "German" refers to the German people not Germans.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (NEGRO).

"African (black)" refers to the African Negro who has come from Africa or other islands of the West Indies. Such an alien is a native, belonging to a race of Africans. An alien who is a descendant of a slave of the African race should be returned merely as a Negro.

ITALIAN (NORTH).

The people who are native to that portion of the Kingdom of Italy lying north of the Provinces of Leghorn, Perugia, Ancona, Rome, and Aquila, including the Provinces of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and those Provinces of Tuscany, Umbria, the Marches, and Abruzzi e Molise not specifically mentioned as belonging to Italy (South).

ITALIAN (SOUTH).

The people who are native to that portion of the Kingdom of Italy south of the Provinces of Leghorn, Perugia, Ancona, Rome, and Aquila, including the Provinces of Tuscany, Umbria, the Marches, Abruzzi e Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia.

Column 11. *Last permanent residence.*—The answer to this question should be the name of the country in which the alien has had a permanent home, and not a place where he has been temporarily sojourning. If he has been in the United States and has had a permanent home here, the last permanent residence should be returned as the United States, and not a foreign country to which he has been temporarily deported. If he has had a permanent home in more than one country, the last country in which he has had a permanent home should be returned. If he has had no permanent home anywhere, the country of his birth should be returned.

Column 12. *Final destination.*—The question is the destination as far as it is known. If to be joined by relatives or friends, the name and address of the person who is to receive him should be given, and the relationship, if any, should be stated. If he is destined to a particular institution, such as a hospital, asylum, or home for the friendless, the name of the institution should be given. If he is destined to a particular State, the name of the State should be given. If he has no final destination in the United States, the word "None" should be written.

Column 13. *Whether having a ticket through to final destination.*—The answer should be either Yes or No, as the case may be.

Column 14. *Whether in possession of $50 and by whom purchased, if less.*—The entry should show whether the alien has the amount of money required by law, which is $50 if a single person and $100 if a married person, or a family group. If he has not the amount, the entry should show how much he has. If he has less than the amount required by law, the entry should show whether the deficiency has been supplied by himself or by others, and, if by others, whether by relatives or friends or by charitable societies or the steamship company.

Column 15. *Whether in possession of railroad ticket or other means to reach such destination.*—The answer should be Yes or No, as the case may be. If the United States is not the destination of the alien, the answer should be "No."

Column 16. *Whether coming by reason of promise or agreement to perform labor in the United States, and what.*—The answer should be either Yes or No. If the alien is coming to the United States to perform labor under a promise or agreement, whether express or implied, the answer should be "Yes." Persons coming for the purpose of following their usual occupations, trades, or professions, but not coming under any promise or agreement to perform labor, should be returned as coming "No." Persons coming to assume positions as private secretaries, domestic servants, governesses, nurses, or the like, should be returned as coming under promise or agreement to perform labor. Persons coming to accept clerical positions, or to engage in any kind of skilled or unskilled labor, should be returned as coming under promise or agreement to perform labor. Persons coming as members of a profession, such as lawyers, physicians, clergymen, artists, actors, musicians, etc., should be returned as coming "No," unless coming under promise or agreement to perform labor. Persons coming as domestic servants, laborers, etc., should be returned as coming "Yes," unless coming to join relatives or friends, and not coming under promise or agreement to perform labor.

Column 17. *Whether a person likely to become a public charge.*—The answer should be either Yes or No, as the case may be. If the alien is coming to join relatives or friends, and has sufficient money to pay his way, the answer should be "No." If he has a trade or profession, and is coming to the United States to follow it, and has sufficient money to pay his way, the answer should be "No." If he is coming to the United States to follow a trade or profession, but has not sufficient money to pay his way, the answer should be "Yes." If he is coming to the United States to follow no trade or profession, and has not sufficient money to pay his way, the answer should be "Yes." If he is coming to the United States to follow no trade or profession, but has sufficient money to pay his way, the answer should be "No." If he is coming to the United States to live by his own means, the answer should be "No." If he is coming to the United States to live by the means of friends, the answer should be "Yes," unless sufficient means are forthcoming. If he is coming to the United States to live by charity, the answer should be "Yes." If he is coming to the United States to be supported in an institution, such as a hospital, asylum, or home for the friendless, the answer should be "Yes."

Column 18. *Whether ever in prison or almshouse or supported by charity.*—The answer should be either Yes or No, as the case may be. If he is supported by a society, institution, or individual, the answer should be "Yes." If he is supported by himself, by friends, or by relatives, the answer should be "No." If he is supported partly by himself and partly by others, the answer should be "Yes." If he has been in prison, almshouse, or asylum, or supported by charity, the answer should be "Yes," even though he is at present self-supporting. If he has been in prison, almshouse, or asylum, or supported by charity, but is not at present in prison, almshouse, or asylum, or supported by charity, the answer should be "Yes." If he is at present in prison, almshouse, or asylum, or supported by charity, the answer should be "Yes." If he is at present in prison, almshouse, or asylum, or supported by charity, but has been in prison, almshouse, or asylum, or supported by charity, the answer should be "Yes." If he is at present in prison, almshouse, or asylum, or supported by charity, but has been in prison, almshouse, or asylum, or supported by charity, but is not at present in prison, almshouse, or asylum, or supported by charity, the answer should be "Yes." If he is at present in prison, almshouse, or asylum, or supported by charity, but has been in prison, almshouse, or asylum, or supported by charity, but is not

Separate sheets should be prepared for each port at which passengers embark.

Column 2. (Head tax status.)—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3. (Age.)—The entries in this column should be expressed in years or months, the latter after the age in figures, thus: 1 month, 6 months, etc.

Dak.; Bismarck, N. Dak.; Salem, Oreg.; Olympia, Wash.; Sacramento, Cal.; Carson City, Nev.; Juneau, Alaska; Honolulu, Hawaii; San Juan, P. R.; Manila, P. I.; Washington, D. C. In these entries the following abbreviations should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than either Cubans or Negroes.

CENTRAL AMERICAN.

"Central American" refers to the people of Central and South America and Spanish descent.

NEGRO, BLACK.

"Negro, Black" refers to all persons of African nativity or descent, whether coming from any of the islands of the West Indies, Central or South America, Europe, or Africa. Any alien with white ancestry should not be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy of a compartments of Piedmont, Lombardia, Venetia, and Liguria and Tuscan Emigration, mostly from the district of Lucca. Natives of Piedmont, Lombardy, Venetia, and Liguria should be entered as "Italian (north)." Most of these people speak a patois distinct from the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, or comprising the provinces of Tuscany, Umbria, Marches, Abruzzi e Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia. Natives of Tuscany, Umbria, Marches, Abruzzi e Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia should be entered as "Italian (south)." Most of these people speak a patois distinct from the Italian language.

Column 9. (Race or people.)—The entries should show the race or people to which each alien belongs, as, for example, Bohemian, Bulgarian, Croatian, Dalmatian, Dutch, English, Finnish, French, German, Greek, Hebrew, Irish, Italian (north), Italian (south), Lithuanian, Magyar, Pole, Portuguese, Roumanian, Russian, Ruthenian, Scandinavian, Scotch, Servian, Slovak, Slovenian, Spanish, Spanish-American, Syrian, Turkish, Welsh, West Indian, Negro, Black, Cuban, Central American, Mexican, Indian, Chinese, Japanese, Korean, Hindu, Pacific Islander, East Indian, Arabian, African (native), or other race or people. The term "Hebrew" is not a race or people. Hebrews should be classified according to the country from which they came as Germans, Russians, Poles, etc. In this column the following abbreviations should be especially observed:

Column 10. (Last residence.)—The answers should show the country of which each alien is a native or citizen or subject, as the case may be, and not the country from which he came unless the latter is also his country of nativity or citizenship. Thus, a native of Germany who comes to the United States from Belgium should be entered as a native of Germany, and a native of Ireland who comes to the United States from England should be entered as a native of Ireland.

Column 11. (Immigrant.)—The answers should show whether each alien is an immigrant alien or a non-immigrant alien, as defined in the Immigration Act of 1924.

Column 12. (Ever in U. S.)—The answers should show whether each alien has ever been in the United States, and if so, when he last came, and whether he has ever been admitted to the United States for permanent residence.

Column 13. (Seeking admission to join relative or friend?)—The answers should show whether each alien is coming to the United States to join a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 14 to 22.—These questions are self-explanatory. The answers, likewise, to those in the closed portion of the sheet are self-explanatory, but attention is called to the following points:

Question 23. If alien has been in prison or almshouse or institution for the insane or supported by charity, the answer should be "Yes" and explanation should be given.

Question 24. If alien has been in any organization or society, the answer should be "Yes" and name of organization or society should be given. Membership in a church should be answered "No."

Question 25. The answer should be "Yes" or "No," as the case may be. If "Yes," the amount of money in the alien's possession should be stated. If alien has no money, the fact should be stated. It should be noted that the head tax cannot be collected from an alien who has in his possession at the time of his application for admission less than $50 in money, unless it is shown that he is in possession of a ticket to some place beyond the port of arrival in the United States.

Question 26. The answer should be "Yes" or "No," as the case may be. If "Yes," the value of the property should be stated. It should be noted that the head tax cannot be collected from an alien who has in his possession at the time of his application for admission property to the value of $1,000 or more, unless it is shown that he is in possession of a ticket to some place beyond the port of arrival in the United States.

Question 27. The answer should be "Yes" or "No," as the case may be. If "Yes," the alien should be required to furnish the country of which he is a citizen or subject.

Question 28. There is printed on back of the sheet a list of persons printed on back of the sheet. The entry should show the number, if any, appearing opposite the name in such list.

Question 29. The entry should be "Yes" or "No," as the case may be. If "Yes," the alien should be required to furnish the name and the country of which he is a citizen or subject of his last permanent residence, past examination, if any, and transportation should be purchased to and the alien forwarded to that country unless he objects to going. The attention of aliens who object to going to the country from which they came should be called to the fact that they may withdraw their applications for admission and return to that country at their own expense. If any alien objects to going to the country from which he came, he should be asked to state specifically the reasons for his objection, and the answers recorded. Thus, if he states that he is afraid to go to Russia, Germany, or Hungary, the answer should show that fact. In answering this question aliens should be especially advised that they are not required to name the country to which they object to going.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization that entertains and teaches such beliefs or advocates such practices, or who is a member of or affiliated with any organization entertaining and teaching such beliefs and advocating such practices the purpose of which is the overthrow by force or violence of the Government of the United States or of all forms of law, or the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or any other organized government, because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W.H. Hoosack *Master* (Master, Commanding Officer, First, or Second Officer) *of the* "TYRRHENIA" *from* London. *do solemnly, sincerely, and truly* Swear *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 1/13 *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

W.H. Hoosack

Commanding *Officer.*

Sworn to before me this 19th *day of* November, *19* 23

at New York.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each person aged 10 or more, as for example: Coal engineer, electrical engineer, locomotive engineer, mining engineer, linen peddler, steel worker, tool maker, wood turner, etc., and not simply as laborer, peddler, molder, tanner, or other indefinite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and examining surgeons during the personal examination of alien applicants.

Column 8 (*Able to read and write*).—This column needs no detailed explanation. The question, "Read what language?" is unnecessary. If an alien is unable to read and write, the exception from the rule is recognized, the ground for such exception should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in such list.

Special attention should be paid to the distinction between race and the country of which citizen or subject; country of last permanent residence; and country of birth, and responses should be corrected as required by inspectors and registry clerks in this regard. For instance, persons appearing under the head of country shown are found: "French" by race or people, and, similarly, "From Ireland" appearing under the head of race or people have not mean "Irish" by country. An Irish, German, or Hebrew alien may each be "English" nationality, commencing the heading of England, Switzerland, or any other country. In this connection the following discriminations should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. An alien with admixture of blood of the African negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other countries, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Latium, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual intention of remaining or of one year should constitute permanent residence. The last country in which alien resided with the intention of remaining for a year or more should be the last permanent residence regardless of length of actual residence therein. The answer to column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded as "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relatives. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of any year should constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*If holder having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid—as self, husband, father, mother, other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (male and female, over age of 14) amount of money shown. Money brought by the head of a family should not be credited as the property of the members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1890–1897, Philadelphia.

Column 19 (*Whether going to join relatives or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address given.

Columns 20 to 33.—These questions are self-explanatory and the answers likely to appear on the sheet are subject to be given by inspection officers in the course routine of arriving. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, K. C. Morrin, Surgeon of the "TYRRHENIA", sailing therewith, do solemnly, sincerely, and truly Swear that I have had years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of British Medical Council., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 1/13. in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

K. C. Morrin M.D.

Sworn to before me this 19th day of November, 1923

at New York.

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens spring and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Residence at home*).—Steamship lines should make no entries in this column. The space is for the use of Government officials only.

Column 3 (*Age*).—The entries in this column should be expressed in years or months, the latter appearing after 1 year under 2 years of age.

Column 4 (*Sex*).—The entries should be either M (male), or F (female).

Column 5 (*Married or single*).—The answer should be M (married), S (single), W (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, if any. If no occupation, the word "none" should be entered. Such terms as "laborer," "servant," "clerk," "gentleman," "lady," "boy," "girl," "child," without further description, are indefinite and should not be used.

A laborer is one employed for hire in outdoor industries and from whom a distinct, specific line of manual labor is required, regardless of the amount of money earned or the name by which he is designated.

A farmer is one who owns or rents a farm, either for himself or for others.

A clerk is one employed in a store or office for the sale of goods or the keeping of accounts.

A servant is one employed in domestic work, as a cook, waiter, housekeeper, valet, nurse, etc.

A gentleman is one who has an income sufficient to support him without his engaging in any occupation for gain, or who does not actually support himself by work of any kind.

A lady is a female who does not support herself by work of any kind.

Column 8 (*Nationality*).—Nationality means allegiance to a country, and is usually evidenced by birth within its boundaries, but sometimes by naturalization. Care should be taken to distinguish between nationality and race. Thus, a Scotch person is a British subject, a Welsh person is a British subject, a Canadian is a British subject, a Bohemian is a subject of Austria, a Hungarian is a subject of Hungary, a Polish person is a subject of Russia, Germany, or Austria, a Bavarian is a subject of Germany

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A.J. Drysdale, of the S.S. Mayaro, from Trinidad, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 7 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Chief engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel worker, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make clear distinction on the manifests, and corrections should be made, if necessary, by inspectors and seamen's clerks during the personal examination of aliens aboard.

Columns 8 (*Able to read and write*).—This column usually ruled and contains the following question: "Can read what language (or, if exemption is claimed, upon what ground)." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Columns 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Country of last permanent residence and country of birth, and manifests should be carefully reviewed by inspectors and seamen's clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race (so far as proper), seems under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more should be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15a (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give, in each case (individual or family), the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join father a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male), or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or, if exemption be claimed, upon what ground)." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning to it as visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by the inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Record on this blank United States citizens and citizens of insular possessions of the United States arriving at a port of continental United States from a foreign port or a port of the insular possessions of the United States, and such citizens arriving at a port of said insular possessions from a foreign port, a port of continental United States, or a port of another insular possession.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—This entry should show what each person is able to do as a means of livelihood, as, for example, farmer, laborer, servant, cook, engineer, clerk, shoemaker, tailor, seamstress, dressmaker, milliner, merchant, peddler, painter, glazier, carpenter, mason, miner, blacksmith, weaver, tinsmith, printer, gardener, etc., and not simply "laborer," "student," "housework," or "none" in every case.

A distinction is to be made between laborers and farm laborers according to the amount of money classed as "cash."

A person is not to be returned as having no occupation merely because he is a child or is employed in domestic duties.

A woman who accompanies a family or takes care of children en route is to be returned as a nurse, whether she is employed professionally or not.

A person traveling with and assisting a blind person is to be returned as a guide.

Persons formerly engaged in any occupation, even though incapacitated from following it at present, should be returned as having an occupation, and the occupation followed should be stated.

Column 8 (*Nationality*).—Answers should be confined to naming the country of which alien is a citizen or subject.

Column 9 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which a person is a citizen or subject. Thus, natives of Ireland, Scotland, and Wales, while subjects of the King of England, are not of the English race, but belong to the Irish, Scotch, and Welsh races, respectively. The inhabitants of Canada, Australia, and other British colonies belong to various races, and should be returned as such. Natives of Germany, Austria, and Switzerland may belong to the German, Bohemian, or Hebrew race, according to circumstances. Natives of France may belong to the French, Basque, Breton, Alsatian, Provençal, or Hebrew race, according to circumstances. Natives of Turkey may belong to the Armenian, Greek, Hebrew, Turkish, Syrian, Arabic, Koordish, Albanian, Bulgarian, Servian, Montenegrin, Roumanian, or Croatian race, according to circumstances. Natives of Spain may belong to the Spanish, Basque, Catalonian, Gallegan, or Hebrew race, according to circumstances. Natives of Portugal may belong to the Portuguese, Madeiran, Azorean, Brazilian, or Hebrew race, according to circumstances. Natives of Mexico may belong to the Mexican, Indian, Spanish, or mixed race, according to circumstances. Natives of Cuba may belong to the Cuban, Spanish, Negro, or mixed race, according to circumstances. Natives of Scandinavia may belong to the Norwegian, Swedish, Danish, Icelandic, Lapp, or Finn race, according to circumstances. Natives of Asia may belong to the Chinese, Japanese, Hindu, Asiatic Indian, Siamese, Burmese, Malay, Korean, Persian, Afghan, Arabian, Asiatic Turkish, Asiatic Russian, Syrian, Armenian, Koordish, Palestinian, Asiatic Greek, Asiatic Hebrew, or Georgian race, according to circumstances. Natives of Africa may belong to the Hottentot, Zulu-Kaffir, Abyssinian, Soudanese, Egyptian, Berber, Arabian, Hebrew, Madagascan, Negro, Portuguese, Spanish, French, English, Italian, Belgian, German, or mixed race, according to circumstances. Natives of Australia may belong to the Australian, Tasmanian, Papuan, Hebrew, English, Irish, Scotch, Welsh, or mixed race, according to circumstances. Natives of New Zealand may belong to the Polynesian, Hebrew, English, Irish, Scotch, Welsh, or mixed race, according to circumstances. Natives of the Philippine Islands may belong to the Tagalo, Pampangan, Ilocano, Bisayan, Moro, Igorrote, Negrito, Spanish, Spanish Mestizo, Chinese Mestizo, Hebrew, or mixed race, according to circumstances. Natives of the British West Indies may belong to the Negro, English, Scotch, Irish, Hebrew, Asiatic Indian, Chinese, or mixed race, according to circumstances. Natives of the Dutch West Indies may belong to the Negro, Dutch, Hebrew, Asiatic Indian, Chinese, or mixed race, according to circumstances. Natives of the French West Indies may belong to the Negro, French, Hebrew, Asiatic Indian, Chinese, or mixed race, according to circumstances. Natives of the Danish West Indies may belong to the Negro, Danish, Hebrew, Asiatic Indian, Chinese, or mixed race, according to circumstances. Natives of Central America may belong to the Indian, Spanish, Negro, Hebrew, Asiatic Indian, Chinese, or mixed race, according to circumstances. Natives of South America may belong to the Indian, Spanish, Negro, Hebrew, Asiatic Indian, Chinese, or mixed race, according to circumstances. Natives of Europe, not specifically mentioned above, may belong to the Hebrew race, according to circumstances. Natives of Asia, not specifically mentioned above, may belong to the Hebrew race, according to circumstances. Natives of Africa, not specifically mentioned above, may belong to the Hebrew race, according to circumstances. In this connection the following descriptions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN, BLACK.

"African, Black" refers to the Negroes of the native African race and Negroes born in the West Indies, South or Central America, or elsewhere out of Africa. Any mixed white blood of the African Negro should be classified under this race also.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., the provinces of Piedmont, Lombardy, Venetia, and Emilia and those provinces, without reckoning Rome itself, which are situated on the slopes of the Apennines and drained by streams flowing into the Adriatic) should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising the provinces of the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and to those islands should be classed as "Italian (south)."

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared and ready for delivery to the immigration officer boarding the vessel at the port of arrival. It shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 633) shall not be returned on board, but shall be delivered by the master to the principal immigration officer at the port.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's complement, the nationality, last permanent residence, and intended final destination of all passengers taken and where they severally shipped or engaged, and specifying those who are to be paid off and discharged in the port of arrival, or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all aliens employed who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of all, if any, who have deserted or been discharged, and of those, if any, who have been left behind, and in case of the failure of such owner, agent, consignee, or master so to deliver or furnish such lists or to report such illegal landing or desertion or to pay the fine, or any part thereof, imposed by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of $10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required, and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and in the event such fine is imposed, while it remains unpaid, nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon the deposit or bond of such vessel to cover such fine.

When an arriving seaman is a "workaway" a notation to that effect should be made upon the manifest.

(b) Clearance shall not be granted any vessel until the *lists* required by section 36 have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 having been served, the deposit specified in Rule 28 (subd. 2) has been made.

Note.—If a surgeon sails with the vessel, the affidavit of verification of the original Lists or Manifest Sheets must be made by him before the departure of the vessel, and any changes that may take place between the time of the departure of the vessel from the last port and the time of her arrival at the port of destination must be noted by the surgeon on the Lists or Manifest Sheets before the vessel arrives at the port of destination. If no surgeon sails with the vessel, the affidavit of verification must be made by the master or other officer who shall have charge of the vessel during the voyage, before some officer authorized to administer oaths.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each person named, as for example: Clerk, engineer, shoemaker, bookkeeper, seamstress, servant, merchant, farmer, laborer, tailor, carpenter, miner, blacksmith, wood cutter, etc., and not simply "none," "student," "child," or "housework," or other indefinite designations.

A laborer should be described as such, whether he is skilled or unskilled, and a person having a trade should be described as such, whether actually employed at it or not.

A farmer should be distinguished as a farmer, a tiller for himself, or a farm laborer.

A farm laborer is one who works on a farm for a day, month, or year for others.

A person having no occupation is a farmer, a tiller for himself, or a farm laborer, according to circumstances.

Strict accuracy in describing persons is required, and the entry should be specific and correct. Care should be taken, if necessary, for inspecting and examining officers during the passage, examining as many persons as possible.

Column 8 (*Literacy and race*).—This column is to be used to answer the following question: "Read what language or dialect, if any, spoken by each person named?" In answering this question the language or dialect the person actually can read should be entered. If such person can read and is also conversant with the spoken language of his native country, the latter should be used, except in cases of persons of the Hebrew race.

Column 9 (*Nationality*).—Question is meant to be understood to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien named belongs.

Special attention is called to the distinction between race and the country of which a person is a citizen or subject. Persons of many European countries, and especially of Turkey and Russia, are frequently returned by inspection and transportation lines as "Turks" or "Russians," or as coming from the land of which they are natives. For example, a native of Asiatic Turkey, or of European Turkey, may be of the Hebrew race or of Armenian, Greek, Bulgarian, Roumanian, Turkish, or other race. Likewise, natives of Russia may be of the Polish, Finnish, Hebrew, Lithuanian, or other race. Persons coming from the British Provinces should be described as English, Irish, Scotch, or Welsh, according to the race or people to which they belong, and not by the general designation of "British." Natives of Scotland should not be described as coming from England, but as Scotch. Natives of Ireland should be described as Irish, and not as coming from Great Britain. Germans should not be described as coming from Prussia, Bavaria, Saxony, or any other specific country in Germany, but as Germans. Persons coming from Switzerland should be described as Swiss, and not as Germans, French, Italians, etc., according to their race or people. Persons coming from Mexico should be described as Mexicans, and not as Spanish, unless they are actually natives of Spain. Persons coming from Cuba should be described as Cubans, and not as Spanish, unless they are natives of Spain. Persons coming from the West Indies should be described as natives of the islands from which they come, as Jamaica negroes, Haitian negroes, Cuban negroes, etc., and not merely as negroes. Natives of Central or South America should be described as such, and not as Spanish, unless they are natives of Spain. Care should be taken to ascertain the race or people to which belong persons who come from countries in which more than one race or people exists, and who frequently are of different races or peoples, though of the same religious faith. Thus, natives of Asiatic Turkey may be Armenians, Greeks, Turks, Hebrews, Arabs, Syrians, etc., and natives of Russia may be Poles, Finns, Hebrews, Lithuanians, etc. Natives of Austria-Hungary may be Austrians, Germans, Hungarians, Bohemians, Magyars, Croatians, Slovenians, Dalmatians, Herzegovinians, Ruthenians, Moravians, Slovaks, Transylvanians, Poles, Italians, Roumanians, Turks, Hebrews, Servians, etc. Natives of Germany may be Germans, Poles, Hebrews, etc. Natives of Switzerland may be Germans, French, Italians, etc. Natives of Belgium may be Belgians, Germans, Hebrews, etc. Natives of Holland may be Dutch, Hebrews, etc. Natives of Greece may be Greeks, Turks, Hebrews, Albanians, Bulgarians, Roumanians, Servians, etc. Natives of Portugal may be Portuguese, Hebrews, etc. Natives of Norway may be Norwegians, Hebrews, Finns, Lithuanians, etc. Natives of Sweden may be Swedes, Finns, Hebrews, Lithuanians, etc. Natives of Denmark may be Danes, Hebrews, Lithuanians, etc. Natives of Japan may be Japanese, Hebrews, etc. Natives of China may be Chinese, Hebrews, etc. Natives of Africa may be Negroes, Hebrews, etc. Natives of Australia may be Australians, Hebrews, etc. Natives of New Zealand may be New Zealanders, Hebrews, etc. Natives of Canada may be Canadians, Hebrews, etc. Natives of Newfoundland may be Newfoundlanders, Hebrews, etc. Natives of Mexico may be Mexicans, Hebrews, etc. Natives of Central America may be Central Americans, Hebrews, etc. Natives of South America may be South Americans, Hebrews, etc. Natives of Cuba may be Cubans, Hebrews, etc. Natives of the West Indies may be West Indians, Hebrews, etc. Natives of Hawaii may be Hawaiians, Hebrews, etc. Natives of the Philippine Islands may be Filipinos, Hebrews, etc. Natives of Porto Rico may be Porto Ricans, Hebrews, etc. Natives of Samoa may be Samoans, Hebrews, etc. Natives of Guam may be Guamanians, Hebrews, etc. Natives of Tutuila may be Tutuilans, Hebrews, etc. Natives of Africa may be Africans, Hebrews, etc. Natives of Arabia may be Arabians, Hebrews, etc. Natives of Persia may be Persians, Hebrews, etc. Natives of India may be Hindus, Hebrews, etc. Natives of Siberia may be Siberians, Hebrews, etc. Natives of Turkestan may be Turkestanians, Hebrews, etc. Natives of Arabia may be Arabians, Hebrews, etc. Natives of Persia may be Persians, Hebrews, etc. Natives of India may be Hindus, Hebrews, etc. Natives of Siberia may be Siberians, Hebrews, etc. Natives of Turkestan may be Turkestanians, Hebrews, etc.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than native Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central or South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Jamaica or other islands of the West Indies, coasts of South America, Europe, or Africa. No one born in Africa of white parents should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardia, Venezia, and Emilia) and their descendants, whether residing in Austria-Hungary or have either country should be classed as "Italian (north)." Most of these people speak a south dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Toscana, the Marches, Umbria, Roma, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy or elsewhere. Most of these people speak a south dialect of the Italian language.

Column 11 (*Last permanent residence*).—If any alien has a permanent residence in the country whence he comes, that residence should be given. If he has resided for one year or more in any other country, such country should be given as his place of permanent residence. If he has not resided for one year in any country other than that whence he comes, the country whence he comes should be given as his place of permanent residence. The expression "U. S." should never be used, but always "United States." The expression "America" is indefinite and should not be used. For the purpose of this return, the entry "Mexico," "Cuba," "West Indies," "Central America," "South America," "Europe," "Asia," "Africa," "Australia," "New Zealand," or "Canada" will be sufficient.

Column 12 (*Final destination*).—The answer to the question should show the intended future permanent residence. An intended residence of one year should not be sufficient. Thus, a person coming to the United States to visit relatives, or as a tourist, or for business purposes, or to study, with intent to return to the country whence he came after a visit of a few months or a few years, should not be credited to the United States. Such persons should be credited to the country of their permanent residence. If within the United States, the entry should show the State.

Column 13 (*Whether having a ticket to your final destination*).—The answer should be either Yes or No.

Column 14 (*By whom was passage paid*).—The entry should show whether the person paid his own passage, or whether it was paid by relatives, friends, or others, stating relationship, if any, as well as name and address of such relatives or friends.

Column 15 (*Whether in possession of $50 and by whom furnished; if not, how much*).—The answer should be "Yes" or "No," as the fact may be. The amount of money in possession should be stated, and if less than $50 the deficiency should be stated. Money in the hand of the family should not be considered among the amounts in possession of the person.

Column 16 (*Whether ever before in United States and if so, when and where*).—The entry should show whether or not the person has been in the United States before, and if so, the city or place and year, as well as the state.

Column 17 (*Whether going to join a relative; if so, what relative and where*).—The answer should show whether the person has a relative (and if so, what relative) in the United States or elsewhere, and if so, where.

Concluding.—These questions should be carefully noted, and the answers likewise shown as they are subject to the same by inspection officers and commissioners of immigration, therefore, in passing upon question 9, if aliens have been questioned as to any answers made to the surgeon of ballot inspectors, and then to reapply for admission, the answers to such inspection should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applied for only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, "chief engineer, stationary engineer, locomotive engineer," not merely "engineer"; "horse polisher, steel polisher, iron polisher, wood turner, etc.," and not simply "mechanic"; "printer, molder, farmer, or other proper description."

A clear distinction should be made between farmers and farm laborers, regardless of the amount of money shown on hand.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and secretary clerks during the personal examination of aliens generally.

Column 8 (*Able to read and write*).—This column is well worded and contains the following question: "Read what language? If examination is attempted, record what person(s)." In answering this question the language or dialect (Yiddish or whatever it may be) read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Country of last permanent residence and country of birth, and questions should be correctly read by inspectors and secretary clerks in this regard. For instance, "France" appearing under the head of country does not mean "French," by race or people, and, similarly, "English" appearing under the head of country does not mean "France" by countries. An Irish, German, or Hebrew already race must be passed from under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year should constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*If neither having a ticket through to final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*If in possession of $50 and if less than $50*).—The answer should give in each case (individual or family) the exact amount (to the dollar) shown. Money brought by the head of a family should not be rounded among the several members of the family.

Column 18 (*If before ever before in the United States, and if so, when and where*).—The entries should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as 1891, Erie.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, this authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

NOV. 19TH, 19 23.

I, H. JEFFRIES DAVIS, MASTER, of the R.M.S. "FORT ST. GEORGE", from HAMILTON, BERMUDA, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, ONE in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

H. Jeffries Davis
MASTER. Officer.

Sworn to before me this NINETEENTH day of NOVEMBER, 1923,
at NEW YORK.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example: Clerk, engineer, stationary engineer, locomotive engineer, machinist, mariner, seaman, boiler maker, blacksmith, moulder, weaver, tailor, cutter, wood turner, etc., and not simply laborer, laborer, laborer, or school boy or girl. Avoid indefinite descriptions.

A foreign title should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who employs him.

Steamship companies should make their entries under the headings and corrections should be made, if necessary, by inspectors and agents during the passenger examination of aliens.

Column 8 (*Can he read and write?*).—The column is self-explanatory and contains the following question: "Can he read and write?" to be answered "Yes" or "No" by answering Yes if the alien is unable to read and write in any language, but if he can read and write in any language he should be so entered. If the alien is unable to read and write in any language, but can read and write in any language, he should be so entered. If the alien is unable to read and write in any language, but can read and write in any language, he should be so entered.

"Read what language (or, if exempt on account of age, what was read)."—In answering this question the language or dialect the alien possibly can read should be stated. If he can read and write in any language, but can read and write in any language, he should be so entered. If the alien is unable to read and write in any language, but can read and write in any language, he should be so entered.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and inquiries should be carefully pursued by inspectors and examining officers in that regard. "Russian," for example, is nationality regarding under head of country does not mean "French," for race or people, and many aliens born in Russia of Hebrew race or people do not mean "Hebrew" for country. Irish" regarding under race might properly come under the heading of England, Scotland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Liguria and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien has had permanent residence should be shown. It is important for correct statistics that nationality, race, and country of last permanent residence be indicated.

Column 12 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show the relative and his or her name and address. If no such relative is living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence. The entry should state "country" if outside the United States or Not destined.

Column 14 (*By whom was passage paid*).—The entry should show distinctly by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (*Whether in possession of $50, and if less, how much*).—The answer should show whether or not alien has in his possession at the time of landing. Money brought by the head of a family should be distributed among the several members of the family.

Column 16 (*Whether ever before in the United States, and if so, when and where*).—The answer should show whether or not alien has been in the United States before, and if so, the year (or period of years) and place, as 1903, Paris, Philadelphia.

Column 17 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 32.—These questions are self-explanatory and the answers, like all others on the sheet, are required for inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, MASTER (State whether Master, First or Second Officer), of the BERGENSFJORD, from Kristiania, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

MASTER

Sworn to before me this 19 day of June, 1923

at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Columns 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year old.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien person, as "Laborer," "farmer," "engineer," "clerk," "merchant," "servant," "seamstress," "no occupation," "none," "housework," "school," "student," "at home," "wife," "child," etc., and not simply as "engineer," "laborer," "servant," "farmer," or other indefinite designation.

A distinction should be made between laborers and farm laborers, a gardener (if the amount of money is small), as follows:

A "farmer" is one who operates a farm, either for himself or for others.

A "farm laborer" is one who works on a farm for the land owner or tenant.

Steamship companies should make sure that the entries on the lists are plain and corrections should be made, if necessary, by the inspectors and not by the steamship officials during the passage, except in case of mistake.

Column 8 (*Able to read and write*).—The answer should be Yes or No. Can the alien read and write his own language? (Read what language.) If unable to read or write, so state. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be shown.

Column 9 (*Nationality*).—Question 9 should be answered in order to show the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as shown in such list.

Special attention should be paid to the distinction between race and the country of which a citizen or subject, peoples of Jewish race or mixed residence and sometimes of hostile nationalities should be correctly described. Do not write "Russian," "Austrian," "German," "Turkish," "English," "Scotch," "Irish," "Welsh," "Canadian," "Mexican," "Cuban," "West Indian," "Spanish American," "Central American," "South American," "Chilean," "Argentinian," "Brazilian," "Portuguese," "Dutch," "Belgian," "Swiss," "Norwegian," "Swedish," "Danish," "Finnish," "Greek," "Italian," "Japanese," "Chinese," "East Indian," "Syrian," "Arabian," "Egyptian," "Turkish," "Hebrew," "Negro," "African," "Polish," "Bohemian," "Moravian," "Slovak," "Croatian," "Servian," "Dalmatian," "Bosnian," "Herzegovinian," "Montenegrin," "Roumanian," "Hungarian," "Lithuanian," "Finnish," "Russian," "Ruthenian," "Carpatho-Russian," "Armenian," "Georgian," "Australian," "New Zealander," or "Tasmanian" as the race or people to which any of these persons belong, for these are the names of countries and not races or peoples. The following-mentioned races should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Africans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. All native African aborigines of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy, i. e., compartimenti of Piedmont, Lombardy, Venetia and Emilia and Genoa [illegible], whether residing in Italy, Switzerland, America (if naturalized or not), unless otherwise specified, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intent had continued for one year shall constitute permanent residence. The last country in which aliens resided with the intent and necessary stay one year or more shall be the last permanent residence established by the "actual residence thereon." The answer in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that absolutely erroneous statements as country shown country of last permanent residence under penalties of discovery of temporary residence, country of birth, nationality, or race.

Columns 12 and 13 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 14 (*Final destination*).—The answer to this question shall show the intended city and permanent residence. An intended residence of less than one year is not a permanent residence. The entry should show definitely the place—city or town—of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*If holder having a ticket through to final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*If not, whether sufficient money to land*).—The entry should show definitely by whom passage was paid—as self, father, husband, wife, brother, or other relative, himself, employer, etc.

Column 17 (*If holder in possession of $50, and if less than $50, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be counted separately from the money of members of the family.

Column 18 (*If holder has been in the United States before, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as 1902, New York.

Column 19 (*If holder going to join relative or friend, his*).—The answer should show whether going to join father, relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 44.—These questions are seldom necessary and the answers, like all others on the sheet, are subject to inspection by immigration officials in the examination of aliens. However, in answering question 28, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, M. Jensen, Surgeon of the BERGENSFJORD, EMPL. BY OWNERS THEREOF, do
(State whether Surgeon "sailing therewith" or "employed by owners thereof" or "employed by owners thereof as Surgeon only for")
solemnly, sincerely, and truly swear that I have had twenty four years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of the Universities
of Christiania and New York, and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 22 in number, according
to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

M. Jensen

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, MASTER (State whether Master, First, or Second Officer), of the BERGENSFJORD, from Kristiania, do solemnly, sincerely, and truly that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

MASTER Officer.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Columns 2 (Head for starting).—Steamship lines should make no entries in this column. The space is for use at [illegible]

Column 4 (Age).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry should be either M (male) or F (female).

Column 6 (Married or single).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Clerk, engineer, shoemaker, painter, machinist, mechanic, farmer, laborer, tailor, printer, stone cutter, "no occupation," wood turner, etc., and not merely "laborer," "mechanic," "servant," "farmer," or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money, stock, or land owned.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the owner or proprietor.

Seamen or emigrants picked up at sea should be described in the manner most correct as should be made, if necessary, by the surgeon and the entry during the personal examination of each arrival.

Column 8 (Able to read and write).—The surgeon is expected to ask and answer the following question, "Read what language?" If a person can read a language in addition to his native tongue, he is to be so recorded. If he can read only a few words or sentences in any language, he is not to be recorded as able to read. If able to read but unable to write, the fact should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (Nationality).—Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10 (Race or people).—See list of races printed on back of this sheet. The entry should show the race or people to which he or she belongs.

Separate grammatical rules should be used to indicate distinction between race and the country of which a citizen or subject, as, for example, the Scotch are of the Celtic race, and the Irish are Celts, and nationality should be correctly recorded by designations such as Scotch, Irish, English, etc. For instance, "French" appearing under "Race or people" should not be used to indicate the nationality of a person born in France, but if such person is of the Celtic race, the word "Celt" should be entered. Take another example: A native of Germany, of Hebrew origin, by race is not a German people, and should not be described as such, but should be described as "Hebrew," "Jew," or "Israelite," as the case may be. Persons born in the British Isles should not be described as "English," "Scotch," "Irish," or "British," unless they are of the Anglo-Saxon, Celtic, Scandinavian, or other race which predominates in the country whose name they bear. The following descriptions should be used in describing natives of the countries specified:

CUBAN.

The term "Cuban" refers to the Cuban people and not to race.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either "Cubans or Negroes."

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or Central America, Europe, or Africa. Any mixed mixture or blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or elsewhere, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—A part of an intended residence covering year should constitute permanent residence. The Immigration Act, which goes into effect with the exception of contracting one year or more labor, the last permanent residence requirement, the ground for such exemption should be given.

Countries of and persons and residences of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The answer should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence within the United States (country) to which he is coming.

Column 14 (If having a ticket to final destination).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, grandfather, other relative, friend, steamship company, etc.

Column 16 (If before in possession of how much money was in possession).—The answer should give in each case the actual amount in hand, the words "not any" or "none" being shown. Money brought by the head of a family should not be included among the amounts in possession of the family.

Column 18 (If before over to the United States and if so, when and where).—The entries should show whether or not the alien has been in the United States before, and if so, the year or period of years and place, as, 1906, New York, Philadelphia.

Column 19 (If going to join relative or friend, and if so, what relative or friend).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 37.—These questions are self explanatory and the answers, like all others on the sheet, are subject to re-search by Immigration officers in the examination of aliens. However, in answer to question 36, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, V. Jensen, Surgeon of the BERGENSFJORD, EMPL. BY OWNERS THEREOF, (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be) do solemnly, sincerely, and truly swear that I have had twenty four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Universities of Christiania and New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 22 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.
